# A DEADLY

# LUXURY

MD SHAHNAWAZ KHAN CHANDAN

PHOTO: PRABIR DAS

Fine leather products from Bangladesh are admired in the luxury markets throughout the world. However, these leathers are manufactured in the fifth most polluted area of the world. Tens of thousands of workers have been slaving away in inhumane working conditions, amidst pollution that has been causing serious health hazards for the citizens. To know more about this unrevealed world of slavery and pollution, read the spotlight on pages 8 and 9.

**4** **A SOUTH ASIAN MEET**  
TEDxSecunderabad was organised at Hyderabad, India, where a group of 10 speakers and performers gathered from all over South Asia.
