

# Youth dies after roadside live electric wire falls on him

**STAFF CORRESPONDENT**

A diploma engineering student died from electrocution when an electric wire fell on him while he was sitting in front of a workshop in the city's Rupnagar yesterday morning.

Rasel Hossain Sujat, 20, a resident of Eastern Housing, was a student of a polytechnic institute in the capital.

The electric wire from a nearby pole tore all of a sudden when he went to his brother Nasir Hossain's workshop near their house, said Md Jobayer, sub-inspector of Rupnagar Police Station.

Rasel suffered burns in most parts of his body, the SI said.

He was declared dead at Dhaka Medical College Hospital on arrival.

# 25 hurt in police action

**FROM PAGE 3**

peaceful procession and 25 activists were injured.

There was no coordination between the deputy commissioner and superintendent of police, both of whom had been informed, he alleged.

Saiful said the dignity of Prime Minister Sheikh Hasina's "Champions of the Earth" award lost dignity for the attack. The agitators left Manikganj around 5:30pm.

Gonotantrik Bam Morcha, Bangladesher Biplobi Workers' Party, Gonotantrik Biplobi Party, United Communist League, Samik-Krishak Samajbadi Dal, Bangladesher Samajtantrik Dal, Bangladesher Samajtantrik Andolon, Gono Sanghati Andolon and Bangladesher Samajtantrik Dal (Marxist) brought out a march on way to the Sundarbans.

Earlier, the morcha leaders held in a rally in front of the capital's Jatiya Press Club.

# Bangladesh makes progress in workers' safety: US envoy

**UNB, Gazipur**

There has been significant progress in Bangladesh's ready-made garment sector's capacity building over the last two and a half years but some more tasks need to be done, said US Ambassador in Dhaka Marcia Bernicat yesterday.

"Especially, there has been much progress in terms of workers' safety, but more needs to be done," she said while addressing a function in Gazipur's Signboard area, arranged by East West Industrial Park.

# Youth jailed for cheating in recruitment test via phone

**OUR CORRESPONDENT, Chapainawabganj**

A mobile court yesterday jailed an examinee of pre-primary teachers' recruitment test for one year for cheating in the examination held at Shah Neyamotullah College of the district town.

Wearing a wig, Md Mursalin, 25, of Suranpur village, was learning answers from outside using earphones of a mobile phone, said Executive Magistrate of the court Ram Krishna Barmon.

# SAVAR UPAZILA HEALTH COMPLEX No ambulance service for five months

**RASHAD AHAMAD, Savar**

The only ambulance of Savar Upazila Health Complex has been lying useless for the last five months as there is no driver, causing sufferings to patients, particularly in case of emergencies at night.

Hospital sources said the government allotted an ambulance and a driver for the health complex. However, there has been no driver after the previous driver, Foyez Uddin, died this May.

"At least 15 lakh people, mostly garment workers and poor families, live in Savar upazila. For them, government hospitals are very important. You can imagine how much patients have to suffer if it [the hospital] has no ambulance," said Hamid Ranju, 55, a freedom fighter who lives in Genda in Savar. The ambulance transported over 100 patients monthly on an average, said hospital sources.

"We have repeatedly informed the civil surgeon office about the problem but they are yet to give a solution," said Md Amzadul Haque, resident medical officer of the hospital.

The government rate for using an ambulance is between Tk 400 and Tk 600 for travelling to Dhaka from Savar, while private hospitals charge Tk 2,500 to Tk 4,000, said hospital sources. Government ambulance service is free for pregnant women.

One Md Mahbubur Rahman struggled to take his pregnant wife to Dhaka Medical College Hospital after the upazila health complex referred her, due to no ambulance service.

Civil Surgeon of Dhaka Abdul Malek Mridha said the entire health department is facing an acute shortage of drivers but they are working on a solution.

# Be compassionate

**FROM PAGE 3**

Planning Minister AHM Mustafa Kamal said Bangladesh's economy was growing with a GDP growth of six percent and agriculture was playing a critical role.

Poverty level will be brought down to 16 percent from 23 percent by 2020, he said, adding that the seventh fifth-year plan would be mostly dedicated to poverty reduction and meant to mainstream marginal people in haor and char areas.

Dr Abdur Razzaque, former executive chairman of Barc, said farming becomes sustainable when farmers get fair prices.

Therefore, it is vital that the authorities have policies to protect the marginal and small farmers as they are the ones facing the brunt in volatility of prices, he said.

The focus should be introducing technologies that are eco-friendly and cost-effective to make agriculture more competitive and sustainable, he said.

"While food production has gone up, food safety has become an important issue now. It is related to public health," said Razzaque, stressing on mobilising farmers at the rural levels to disseminate updated knowledge.

Mike Robson, Food and Agriculture Organization's representative in Bangladesh, said social protection in agriculture means helping the poor farmers in need and that the government has a big role to play.

Patuakhali Science and Technology University Vice Chancellor Prof Dr Shams-Uddin presented a paper.

Mokbul Hossain, chairman of the parliamentary standing committee on the agriculture ministry, Barc Executive Chairman Dr Abul Kalam Azad and agriculture ministry's Seed Wing's Director General Anowar Faruque also spoke.
