Truck workers confine cop

Protest 'extortion'; police official denies allegation
STAFF CORRESPONDENT, Rajshahi

Truck workers yesterday confined a traffic sergeant and blocked two highways in Rajshahi city's Nawdapara area for two and a half hours for allegedly assaulting a truckers' union leader and trying to extort a truck driver.
Sergeant Sazzad had been confined to a roadside shack before a team of police came to the spot and rescued him some two hours later at 2:30pm.
Atikur Rahman, additional deputy commissioner (ADC) of the city traffic police, said around 12:00pm, two policemen, one of them a sergeant and the other a constable, intercepted a truck and found the driving licence and the registration of the vehicle expired.
When they seized the truck and were taking it to the police station, the truck workers took the sergeant into confinement, he told The Daily Star.
However, truck workers said police assaulted Farid Ali, a vice president of Rajshahi Truck Labourers Union, who was inside the truck with the driver, when he refused to give police Tk 200 in bribes.
The traffic policemen dragged Farid out of the truck and

had shot Tavella dead. Russell Chowdhury alias Chakki Russell and Minhazul Arifin Russell alias Bhagne Russell alias Kala Russell are on an eight-day remand.
The detectives have also arrested another youth, Shakhawat Hossain alias Sharif, who allegedly provided the trio with his motorbike to accomplish the killing mission.
Monirul also said they were still investigating to find out the source of the money spent in the mission.
He said they did not have any fresh breakthrough in the probe after Monday when DMP Commissioner Asaduzzaman Mia told the press that the murder was part of a conspiracy to send a message to foreigners that Bangladesh was no longer safe for them.
Meanwhile, during a top-level meeting at the police headquarters yesterday, police officials were asked to remain alert so that any incident like the recent killings of foreigners or the bomb attack on Hossaini Dalan is not repeated.
Chaired by Inspector General of Police AKM Shahidul Hoque, the meeting on the current law and order situation also asked cops to collect information about activities of banned militant organisations and their members who are getting released on bail from jail and increase vigilance on them, said a top police official in attendance.
Tavella was shot dead in the capital's Gulshan on September 28.

Dhaka to get five metro rails: Quader

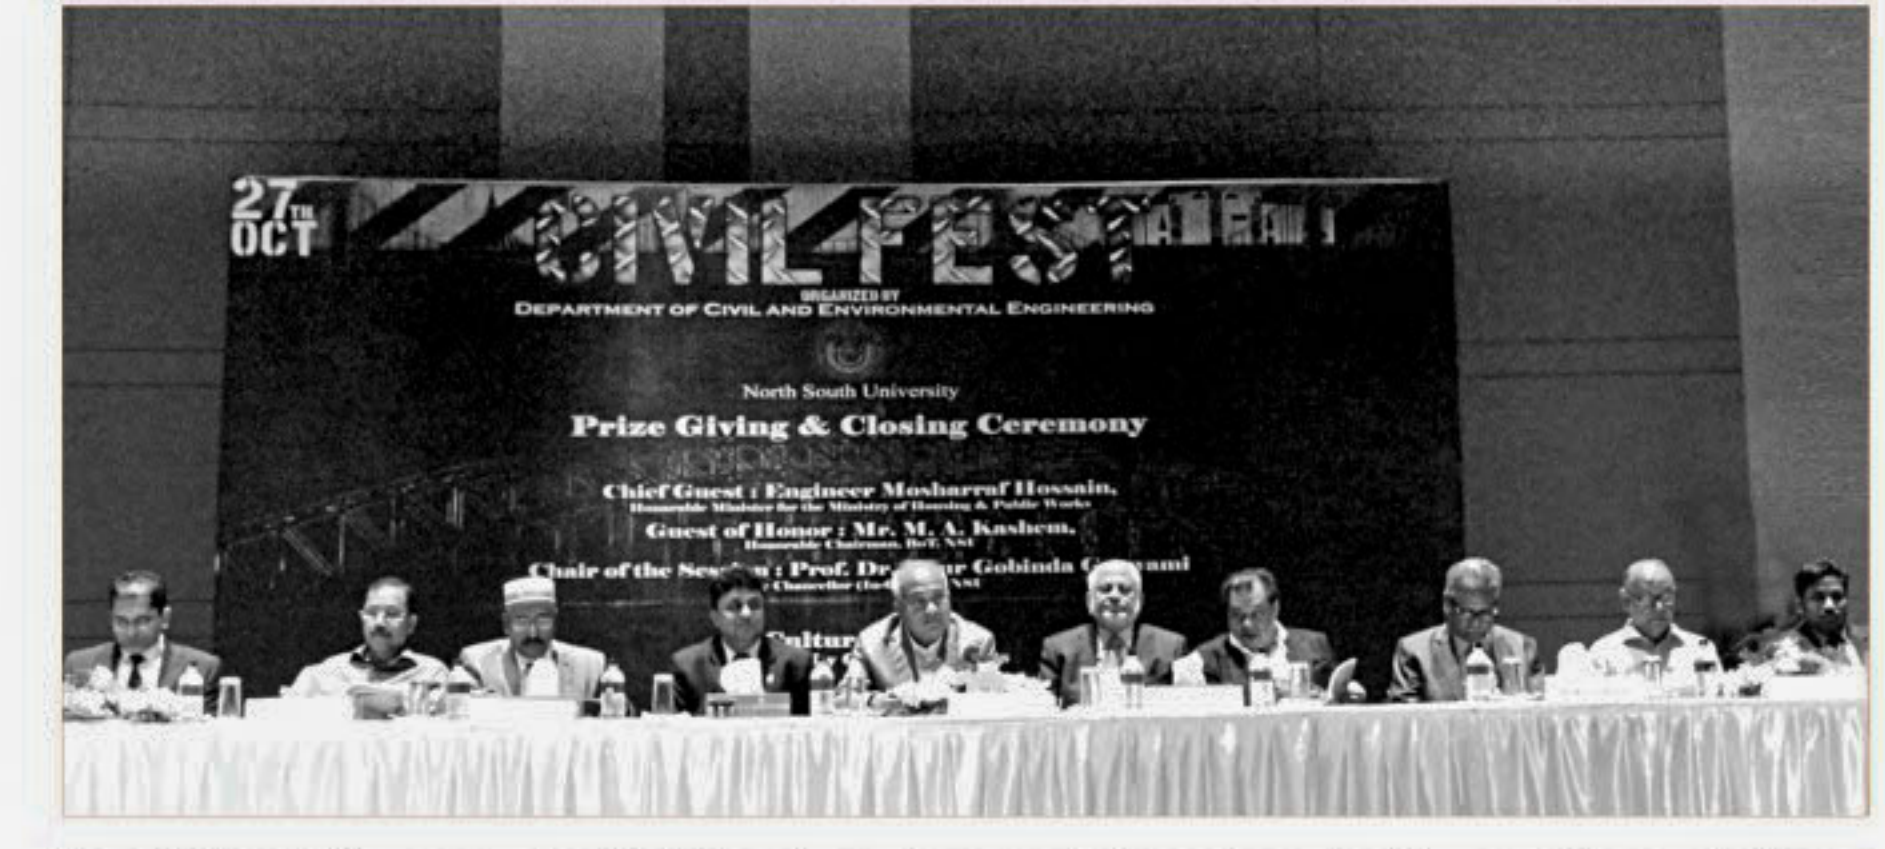

BSS, Dhaka
Road Transport and Bridges Minister Obaidul Quader yesterday said the government has a plan to build five metro rails in the capital.
He was speaking at the inaugural function of the work of Ifad Group for building bodies of state-of-the-art buses at Bangandhu International Conference Centre in the capital.
He said auto-rickshaws will charge fares on the basis of meters in Dhaka from November 1 and in Chittagong from January 1. Tough actions would be taken if fare is realized from passengers, he added.

organisers hoped at the event in the capital's public library.
Dr Abul Hossain, a joint secretary of the women and children's affairs ministry, said "If we become aware about the negative effects of child marriage, it will be reduced automatically."
Speaking about the proposed Child Marriage Restraint Act 2014, the young participants at the event urged the government to omit the clause allowing marriage of females at the age of 16 in special circumstances.
They also recommended that the government introduce youth-led programmes and thus create opportunity for young people to participate directly in the decision-making process. Around 80 students from colleges and universities took part in the event.
Organisers said the platform, launched by Plan International with funding from DFID, would be a hub of discussion, communication and resources among the young people of several countries.

To celebrate the marvels of civil and environmental engineering by creating a platform where future engineers, industry leaders and academics got together, "Civil Fest 2015" was organised by the Department of Civil and Environmental Engineering (CEED) of North South University. The program ended through a marvelous closing ceremony on Tuesday 27 on the university's Bashundhara campus in the capital. The concluding ceremony was held in the evening followed by a cultural programme by the civil engineering students. Housing and Public Works Minister Mosharraf Hossain attended the ceremony as chief guest. NSU Chairman MA Kashem and Vice Chancellor Prof Dr Gour Gobinda Goswami were also present.
