

PPP for sustainable development urgent

BSS, Dhaka

The United Nations (UN) top official in Asia and the Pacific opined that achievement of the newly adopted Sustainable Development Goals (SDGs) will depend on scaling up public-private partnerships.

"The private sector knows the art of making markets work, managing risks, and fostering competitiveness and innovation," said UN Under-Secretary-General and Executive Secretary of ESCAP Dr Shamshad Akhtar at the twelfth Asia-Pacific Business Forum (APBF) held in the Thai capital Bangkok, according to a press release.

The executive secretary of Economic and Social Commission for Asia and the Pacific (ESCAP) emphasised that Asian businesses have shown ability to create enduring value for themselves, whilst overcoming adversity in both trying economic times and with challenging external environments.

The forum organised by ESCAP with the theme "Driving Growth and Sustainability through Business" on November 1-2 brought together over 300 business leaders and government policymakers.

48 lakh getting welfare benefits under safety net

Says director general of Social Welfare Department; all physically challenged people to get ID cards

BSS, Dhaka

The government is providing allowances to 48 lakh widows, physically challenged and elderly people every month under its social safety net programmes aimed at containing the onslaught of poverty in the country.

"The government led by Prime Minister Sheikh Hasina made remarkable progress in poverty alleviation in the country by providing various allowances and stipend to insolvent and disabled people," said Gazi Md Nurul Kabir, director general of social welfare department.

Kabir said the government has already increased the number of beneficiaries of the

programmes from four lakh to around six lakh in the last one year, who are getting monthly allowance of Tk 500 from the government.

"During the same period the number of insolvent elderly rose from 2,720,500 to 30 lakh who are receiving Tk 400 per month while the number of widows rose from 10.12 to 11.13 lakh who are getting Tk 400 every month," he added.

The government has planned to provide identity cards to all physically challenged persons by using the national disability database, and revise the existing development programmes considering the types of disability, according to a social welfare ministry source.

He said the five and 70 to 80 other Razakars attacked Bidiyanagar, Ayla, Fatehgup and Kiraton Bilpara villages on November 12.

"After entering Ayla village, these Razakars attacked the villages from two sides and opened fire indiscriminately. I witnessed this incident hiding inside a bush some 20 yards away from the Razakars," said the 58-year old witness. Then they entered Bidiyanagar and Fatehgup villages, he added.

Later, he saw the dead bodies of his cousin Habibullah, Abdul Majid, Abdul Jabbar, Aftab Uddin, Sirajuddin, Habibur Rahman, Chandu Sheikh and Malek Sheikh in different areas, said Mostafa.

He said he also found with bullet wounds Hasu who told him that the five and other Razakars had picked up and shot them.

Mostafa said he saw Nasiruddin the next day shooting his uncle Mia Hossain after giving chase with other Razakars.

In his statement, Akkas said he saw this killing by a bee (wetland) near which he was working.

The day before, the five accused along with 20/25 Razakars killed seven to eight people, he added.

State-appointed defence counsel Abdus Shukur Khan completed cross-examining the witnesses before the three-member tribunal led by Justice Anwarul Haque adjourned proceedings until Sunday.
