

# STYLE ICON PEYA

A model whose fame isn't only limited to Bangladesh, Peya can simply be defined as bold and beautiful. Only a strong and determined woman would have the courage to take on the industry and win their hearts so quick. That covers the bold and the beautiful section needs no description. Her beauty is absolutely mesmerizing. So it should serve as no surprise that she is seen in foreign projects often. Her beauty is also complemented by her dazzling sense of style as she can rock any outfit without much effort. She is this week's Showbiz Style Icon.

A woman with long dark hair, wearing a traditional yellow sari with intricate embroidery, is smiling and holding a yellow cloth. In the foreground, there is a box of Sandalina Sandal Soap and a bar of soap. The background is a warm, golden-yellow gradient with bokeh light effects. The text on the box is in Bengali: 'স্বর্ণেজ্জলি ফুকের জন্য' (For the golden glow of the sun), 'ম্যান্ডালিনা' (Mandolina), and 'স্যালাল সোপ' (Sandal Soap). The text at the bottom right is 'রূপচর্য আর্দ্রিজাগ্র...' (Rupchari Ardirjagr).
