From November 19, 2015 to November 21, 2015, a gathering took place- that of the most creative, most learned and most artistic literary minds. The Dhaka Literary Festival was launched with the utmost excitement and zest. Having intellectuals from all around the world in one space, the three day event swept many off their feet as, even in a threatening situation for writers and free-thinkers, everyone enjoyed the remarkable celebration of literature and more. When such a gathering takes place, anywhere in the world, magic happens. And so it did. Read more about the Dhaka Lit Fest on pages 8 and 9.
