

Ashulia RMG factory suspends 60 workers for making demands

OUR CORRESPONDENT, Savar

The management of a readymade garment factory at Zamgora in Ashulia yesterday suspended 60 of its workers and issued a show cause notice to them amid demonstrations by the workers pressing for various demands.

Workers saw the notice hung on the gate of Fashion Craft Knitwear Ltd in the morning and began demonstrating there until police arrived and dispersed them. Mostafizur Rahman, director of Ashulia Industrial Police, said additional police were deployed there. The notice said the mentioned workers should give an explanation within 10 working days for making "illegal demands" and carrying out "activities that hindered work".

The workers claimed the demands were within the labour law and the authorities were just trying to stop the demonstrations. The workers had been demonstrating since November 21 pressing for different demands, including a 15 percent increase in their salary from January and payment within the first week of every month. The Daily Star could not contact the factory management despite repeated attempts.

architect Tanwir Nawaz, the consultants' team leader.

These will stop right turns at intersections and opening of central reservations. On an average, the distance between two U-loops will be 1.5 km.

Md Zahid Ahsan Russel, a lawmaker of Gazipur, said it had to be made sure that U-loops would not hamper the proposed BRT from Gazipur to Hazrat Shahjalal International Airport.

Roads and Bridges Minister Obaidul Quader said the U-loop scheme has the prime minister's consent and it should get precedence over others being considered.

Construction of the Gazipur BRT starts in February next and in case the U-loops come in conflict with BRT at some points, the former would be removed if need be, he said.

He also said Dhaka city roads remain swarmed with hundreds of thousands of illegal vehicles including over 12 lakh illegal pedal-powered rickshaws.

Suraiya Begum, secretary to the Prime Minister's Office, was present.
