I would like to express my heartfelt congratulations to the graduates. They welcome their departure from a sheltered university life with wide-eyed optimism.

As we commemorate your achievement, we must remember to exercise humility and thank everyone whose unwavering support has made this day possible. I would like to express my gratitude to the faculty members, administration, and staff of IBA who work tirelessly to shape our students into inspiring individuals.

Always remember the people whose contributions have made your dreams achievable. No matter how successful you are, you will invariably owe your identity to these individuals. Some of the best wards of this land hailed from Dhaka University. Therefore, you must carry this rich legacy forward.
