SHIMLA

Shimla, one of the most promising actresses of Bangla cinema, made her way from a small town of Jhinaidah to Dhallywood and fulfilled her long cherished dream to be in show business. Shimla started her career at a very young age. In 1999 she left home with the dream of becoming an actress. That same year, she got the opportunity to act in the film "Madam Fuli", which was considered a big hit that year and from that point on, her career took off. Shimla is one of those few actresses who won the National Film Award for their first film. It's easy to see why she is so successful even to this day, as she is always ready to experiment with her look and style and find new and exciting ways of hooking the audience.
