

YEARLY HOROSCOPE

ARIES (MAR. 21- APRIL 20)

Year 2016 will shower mixed results on the people of this sign. Stress is inevitable in domestic life; however, professional life seems bestowing abundant success on you. Moving on to businessmen, it is advised not to make huge investments. Control on habit of spending money unnecessarily is important. Don't pay attention to useless arguments.

TAURUS (APR. 21- MAY 21)

Taureans will have a blossoming time this year. Profits will follow businessmen steadily but not immediately. Last but not the least, romances look fabulous this year. Love life will flourish, providing you happiness of all sorts. Achieving anything becomes easy as long as internal bliss is there.

GEMINI (MAY 22-JUNE 21)

Major part of this year will be favouring you. Your spouse may not bond well with your relatives. Your body is your temple; therefore, healthy diet and exercise should be there in your daily regime. Keep your expenses in control. To remain free from every financial crisis, stay at bay from taking debts.

CANCER (JUNE 22-JULY 22)

Cancerians will enjoy a wonderful year in terms of personal life. Rapport with family members will not remain that good. You should be cautious regarding your health. It would be good to keep your eyes and ears open, as somebody might plan strategy against you. Workload of some Cancerians might increase, which will lead to increase in salary too.

LEO (JULY 23-AUG 22)

Lions will have a rewarding time in 2016. Each and every aspect of your life will go on the right track. You will have cordial bond with your spouse and others. Your wealth will increase and so will your bank balance. Whether you own a business or employed in any firm, profits are assured. Unmarried lions might tie nuptial bond this year.

VIRGO (AUG. 23 -SEPT. 23)

You will not enjoy as much bonding as you wish with your spouse. Your health is in your hands; the more seriously you take it, the better it will be. Losses related to finances are quite possible. Discussing possibilities about your love life reveals things going great and smooth. It would be really good if you keep control on your thoughts.

LIBRA (SEPT. 24 -OCT. 23)

Librans with nuclear families will enjoy pleasant familial life. Keep your trust maintained on your spouse. Looking at the chemistry between you and your children, some troubles are possible from the side of your children. Professional life of service people looks better; however, businessmen might face difficulties.

SCORPIO (OCT. 24 -NOV. 21)

This is the year when Scorpions need to coordinate with their spouse in every aspect of life. Personal life will go through continuous ups and downs. Behaviour of your children might stress you. It is suggested to gain control on laziness and keep yourself active. Keep your money secure and try to save as much as possible. Talking about love life, be calm and don't let doubts come in between.

SAGITTARIUS (NOV. 22 -DEC. 21)

Sagittarians might get into arguments with family members at times. This year is favourable for people who are into jobs. It is suggested to keep your temper in control. Coming to your financial life, things look fine, but you need to protect yourself from fraud and betrayals. Be very cautious about your activities and decisions, else you might have to go to jail.

CAPRICORN (DEC. 22 -JAN. 20)

Personal life will not give you that much peace and bliss which you expect. Conflicts are very much possible with family members and your spouse. Indigestion, headache, and mental stress will affect your health. Financial life will witness extreme profits. Huge benefits will reach you via your job. Some of you will get new and better job.

AQUARIUS (JAN. 21 -FEB. 19)

Domestic aspect looks as usual; although minor issues are possible. Some Aquarians might think about cutting familial ties this year. Not only finances will give you reasons to enjoy, but friends will also prove to be of much worth. Don't lose your heart, if you are a businessman, as 2016 is rewarding for you as well. Last but not the least; love life will also go in the right way.

PISCES (FEB. 20 -MARCH. 20)

This year for you Pisceans, might not be a bed of roses. Familial conditions don't look that promising. Careful behaviour and wise actions are a must to keep troubles away from your path. Problems are foreseen in the initial stages of job. Pisceans who are into business, will taste huge success.
