

Hearing on charge framing against Rony on February 2

COURT CORRESPONDENT

A Dhaka court yesterday fixed February 2 for hearing on charge framing against Bakhtiar Alam Rony, son of ruling Awami League lawmaker Pinu Khan, in connection with the Eskaton double murder case.

Meantime, defence lawyers submitted a petition for discharging Pinu -- acting Mohila AL general secretary -- and Judge Shamsunnahar Begum of the Second Additional Metropolitan Sessions Judge's Court fixed the same date for hearing it.

On August 13 last year, another Dhaka court took cognizance of the double murder charge against Rony. It also relieved Imran Fakir, Rony's driver, of the charges as the investigation officer did not find any allegation against him.

Detectives on July 21 pressed murder charges against Rony for shooting dead two persons -- a rickshaw-puller and an auto-rickshaw driver -- in the capital's New Eskaton on April 15.

Rony fired random shots in the air from his jeep for "being frustrated over post-midnight traffic."

Workers from 158 tea gardens form a human chain yesterday in the Lakkatura area of Sylhet demanding cancellation of the government's plan to set up a special economic zone at Chandpur Tea Garden in Chunarughat upazila under Habiganj district.

on the number of visually impaired students.

Unmay Tanzila Chowdhury Munia, teacher of Mohsena Model Government Primary School in Chittagong's Patiya, said a smart phone or a laptop for each teacher would help them apply the training knowledge and deliver classes.

The teachers will also receive training on Digital Accessible Information System (Daisy), through which print books are converted into digital talking books for blind people. "For the first time in Bangladesh all text books from Class I to X have been converted to Daisy form," said Vaskar.

"It is unfortunate that we do not know how many of the 54 persons with disabilities, recruited as teachers in 2010 in secondary and high schools, are currently working and what their conditions are," said Fahima Khatun, director general of DSHE, adding that a separate cell would be formed to look into the grievances of visually impaired teachers.

Tea workers threaten to go for hunger strike

Observe work abstention; form human chain

OUR CORRESPONDENT, Moulvibazar

Workers from at least 158 tea gardens observed two hours' work abstention and staged rallies in different tea gardens under Sylhet division yesterday from 8:00am demanding cancellation of a special economic zone (SEZ).

They also threatened to stage a hunger strike to press home the demand.

Officials in northeastern Sylhet's Habiganj district are in the final phase of acquiring land from the Chandpur, Ram Ganga, Begum Khan and Jual Bhanga tea gardens.

Political parties and rights activists warned that the government's decision to build the SEZ on hundreds of acres of arable land would threaten the livelihood of thousands of workers and their families. It could also adversely affect the lives of indigenous people, many of whom are tea workers.

The decision to build the SEZ would push many workers towards death, said Nripen Paul, member secretary of Chandpur Bhumi Rakkhya Committee. He also said the workers of all the tea gardens in the area will hold a massive protest rally on January 9.
