

# SKIRTS FOR ALL SEASONS!

The power of clothes is fascinating; some outfits are meant to be worn without much thought and care, just to get by on any given day. Then there are those articles of clothing that are special, they deserve attention and love for they instantly elevate the wearer from a mere mortal into an extraordinary creature. This season, skirts have been brought to the limelight! No longer relegated to being a schoolgirl's uniform, the midi skirt has been given a fabulous makeover by eminent designers such as Miuccia Prada and Carolina Herrera. It has been elevated to a high fashion wardrobe essential, owing to its easy yet chic nature.
