

STYLE ICON ARNOB

One of the most talented musicians in the country and an internationally recognized one too, Arnob is a man with many interests. He is an artist, a vocalist, and instrumentalist and a self-proclaimed gadget freak. He loves playing instruments, and the Esraj is his favourite. He is also an adrenaline junkie who loves playing football, writing movie scripts and climbing buildings! His talents can be understood once you see what kind of an environment he was brought up in. He comes from a complete family of artists of diverse talents and had studied in Rabindra Bharati from early primary school days till his Masters. As a man who is constantly in the limelight, he has to maintain an image of a simple yet sophisticated man, and he has that look pegged perfectly. He is this week's Showbiz Style Icon.
