

NORM OF THE NORTH

MADAGASCAR ON ICE?

A polar bear of many words, Norm's greatest gripe is simple: there is no room for tourists in the Arctic. But when a maniacal developer threatens to build luxury condos in his own backyard, Norm does what all normal polar bears would

do...he heads to New York City to stop it. With a cast of ragtag lemmings at his side, Norm takes on the big apple, big business and a big identity crisis to save the day.

Rob Schneider features as the voice of Norm, with other voice cast including

Heather Graham, Ken Jeong, Gabriel Iglesias, Loretta Devine, Michael McElhatton, Colm Meaney and Bill Nighy. Norm of the North is directed by Trevor Wall from a script by Jack Donaldson and Derek Elliott.

If you feel like you have seen the premise of talking animals going on great adventures before, you aren't far off as that is the same kind of premise as the Madagascar series. The film was released yesterday.
