

E-TEA-QUETTE

Tea is such a universal thing, you can't really go wrong with it. When was the last time you went to someone's house and weren't offered a cup of tea? In this country we don't have as many rules and regulations when it comes to drinking tea – it's a fairly straightforward, no-nonsense process – but around the world there is etiquette one must follow lest one is inducted into the tea drinking hall of shame.
