Laila fighting for life in CMCH

Family claims her husband set fire to her, detained accused denies claiming her to be crazy

STAFF CORRESPONDENT, Ctg

"Please make me senseless, I can't bear the pain," begged Laila as her mother helplessly held her head.

With 99 percent burns, Rahela Begum Laila, 30, was admitted to Chittagong Medical College Hospital (CMCH) yesterday morning.

"Her condition is extremely critical," said Mrinal Kanti Das, head of Burn and Plastic Surgery unit of CMCH, as Laila, a readymade garment worker, lay on bed, writhing in pain and struggling for her life.

Her family members alleged that her husband set her on fire by pouring kerosene.

The incident occurred at the foot of the hill of Sher Shah Bangla Bazar area in Chittagong around 9:00am yesterday.

"She married Yusuf two months ago without our consent," said Rabeya Begum, her mother, adding, "Yusuf was unemployed and frustrated, he quarrelled with Laila constantly and tortured her. At one stage of the quarrel he dragged her to the foot of the hill adjacent to their rented house and set her on fire."

Monir Hossain, a cousin of Laila, told The Daily Star that after hearing from the neighbours over the phone, the family members rescued and rushed her to CMCH.

Police detained Yusuf. He claimed that he did not burn Laila or know anything about how she was burnt, said police quoting Yusuf.

4 Saarc countries agree to discuss rail deal

UNB, Dhaka

Bangladesh, Bhutan, India and Nepal (BBIN) have agreed to begin discussions on the possibility of having a BBIN Rail Agreement drawing on the draft Saarc Regional Rail Agreement template.

It was also agreed that land ports and land customs stations, crucial for sub-regional trade and transit, will be given a special attention by all four countries.

An expert group will be constituted for exchanging best practices in water resources management and on specifics of the identified projects, power trade, inter grid connectivity, flood forecasting and other areas of possible cooperation.

The four South Asian countries reached the consensus at the two-day third Joint Working Group (JWG) meetings on Sub-Regional Cooperation on Water Resources Management and Power/Hydropower and on Connectivity and Transit that ended in Dhaka yesterday.

The JWG on Water Resources Management and Power/Hydropower carried forward earlier discussions on scope for power trade and inter-grid connectivity cooperation in future power projects and water resources management between the four countries.

Specific hydropower projects under BBIN framework that could be concretised on equitable basis were discussed, said the foreign ministry of Bangladesh.

The JWG on Connectivity and Transit reviewed progress under the BBIN MVA and made recommendations relevant to this process.

The next meeting of the JWG will be held in the second half of 2016 in India.

The movement's Convener Taisha Tashrin said, "The government has to build it through Matsya Bhaban and Ramna...otherwise historical places like the Raju sculpture, DU fine arts faculty, mausoleum of the three national leaders and Dhaka Gate will lose their attraction."

The supporting group, under a banner, "Students who travel in DU's Chaitali, Boishakhi and Khonika buses", formed a human chain at the base of the Raju sculpture. A few Bangladesh Chhatra League activists were found participating. DU Khonika Bus Commuters Association President Mushfiqul Hasan said they would mostly be benefited from the government's plans.
