

BANGLADESH AS A BRAND

TOP RMG EXPORTER

Bangladesh is an extremely popular brand globally for its booming RMG export sector. Nearly all of the top brands are openly dependent on Bangladesh for its superior product quality and affordable labour force

TOP RICE PRODUCER

The limited but fertile lands of Bangladesh has made it one of the largest rice producers in the world. Each year Bangladeshi farmers, agro-researchers are breaking barriers and producing record quantities of rice. In a way, we are feeding the rest of the world.

GLOBAL PEACEKEEPER

Bangladesh military has a long standing reputation as one of the best UN peacekeepers in the world. The peacekeepers have ensured security and stability in many corners of the world and earned huge amounts of foreign currency for the nation. Bangladesh is also one of the highest contributors of peacekeepers globally.

BEAUTIFUL BANGLADESH

Bangladesh might be a small country, but it's bestowed with phenomenal natural beauty. It is home to the richest mangrove forest, the world's longest uninterrupted beach, Bengal Tigers, and six stunning seasons. No country in the planet can offer such a diverse face of nature.

HOME OF CRICKET

Bangladesh is home to 15 crore cricket fans and it is the most popular sport in Bangladesh. The Bangladesh National Team is now one of the favourites throughout the world. Whenever there's a cricket match of Bangladesh, you will see people glued to the TV; both at home & work. And whenever the national team win's a big match, you will find people bringing out processions and cheering in the streets.

THE LAND OF MICROCREDIT

The word microcredit is synonymous with Bangladesh. Dr. Muhammad Yunus, a Bangladeshi economist, was awarded the Nobel Prize for his pioneering concepts of microcredit and microfinance. Bangladesh is also home to world renowned NGOs like BRAC and ASA.
