

Do not waste valuable time when you get chest pain

The first and only JCI accredited hospital in Bangladesh

Rush to Apollo Hospitals Dhaka

The **only hospital** where primary angioplasties are done by Senior Consultants 24 hours, 7 days a week, even in the middle of the night.

“I had a severe chest pain in the middle of the night and reached Apollo. My life was saved after primary angioplasty by the help of Apollo Hospital’s cardiology team” - Riaz (Movie Star)
