

# ZOOLANDER 2

## RIGHT STUFF, WRONG TIME

The world can be a terrifying place. The forces of evil seem to be lurking around every dark corner. At times, we don't know where to turn. What we need in our lives is a little more Blue Steel. A little more Le Tigre. What we need is Zoolander 2.

When the world's most beautiful musi-

cal celebrities are systematically assassinated with formerly famous male model Derek Zoolander's iconic "Blue Steel" look on their face, Interpol recruits Derek and his friend Hansel McDonald to infiltrate a new and different world of high fashion in order to put a stop to it.

Meanwhile, Derek's rival Jacobim Mugatu is set free and is seeking revenge.

So far as we have seen, the movie has enough gags to live up to the Zoolander name. Stiller is very reluctant regarding reprisals, so know that if he decided to return, then he is bringing along a fresh

and unique take on the original premise. However, it seems the movie is heading for a bloody battle as it is set to launch on 12th February; exactly the same date as the much anticipated Deadpool. So let's see if it manages to come out unscathed.
