# Cold Stone Creamery set to launch this February

Cold Stone Creamery, a US super-premium ice cream brand, will make its first mark in Bangladesh. Olive Tree Foods Limited, the master franchisee behind Cold Stone Creamery in Bangladesh, will open its first flagship store in 23 South Gulshan Avenue, on February 13, 2016. With the slogan 'Experience the ultimate indulgence', Cold Stone Creamery Bangladesh offers rich and creamy ice cream that is made fresh whilst also featuring its famous entertainment experience factor and much more.

Cold Stone Creamery is one of the best super premium ice cream brands in the world and is consistently rated "Best in Class Ice Cream". Cold Stone Creamery is now operational with over 1,300 stores in the US and is internationally spread over 26 countries and 5 continents. It is destined to be the best and most innovative ice cream in the world.

Now, Cold Stone Creamery seeks to have their presence set in stone. With the slogan, "Ultimate Ice Cream Experience," Cold Stone Creamery Bangladesh offers a diverse menu of ice creams, signature creations, cakes, smoothies, shakes and a collection of Tex-Mex delicacies, along with Experience Factor

shows which includes singing and dancing by the crew members.

Olive Tree Foods Limited is a fast-growing and ambitious F&B group that has a strong franchise outlook and has already created two exciting Food and Beverage brands, namely Watercress Restaurant and Orange and Half Café.

Cold Stone Creamery prides itself in not only scooping out ice cream but serving it as a personalised work of art. To learn more, check out [www.coldstonecreamery.com](http://www.coldstonecreamery.com)

# Anjan's collection

## A CALLIGRAPHIC COLLECTION

Every year, on International Mother Language Day, Anjan's brings out clothes featuring Bengali calligraphy. This year, the organisation is hosting a 20-day exhibition, which will be held at its Dhaka, Chittagong, Sylhet and Khulna outlets.

Colours like red, black and white are used on panjabis, shalwar kameez sets, fatuas, kotis, etc. Motifs on block and screen prints are displayed at the exhibition. Fabrics like cotton and many others are used in this collection - suitable for people of all ages. Bengali alphabets and

motifs are used to design the dresses.

## GREETING SPRING

February is indeed dotted with many events. Other than International Mother Language Day, the month is also marked with the coming of Falgun. Anjan's has in store a lot of vibrant colours for the spring, from yellow to orange to red. The shalwar kameez sets flaunt works of print and embroidery. These attires also boast fresh new designs and patterns. There are also a range of slim-fit, plain panjabis with attractive designs. In the spring collection, special attention has been given to saris.
