Scuffle among staff delays surgeries at BSMMU

STAFF CORRESPONDENT

Surgeries at Bangabandhu Sheikh Mujib Medical University (BSMMU) yesterday were delayed by over two hours as anaesthetists of the hospital went on a work abstention, which followed a scuffle between two anaesthetists and a medical officer, causing huge sufferings to the patients.

"On a typical day, over 30 major surgeries are conducted at BSMMU. But due to the work abstention of anaesthetists, only 18 major operations could be done yesterday," informed Brig Gen MD Abdul Majid Bhuiyan, director of the hospital.

BSMMU Vice Chancellor Prof Kamrul Hasan Khan termed the fiasco an "unfortunate incident caused by misunderstanding".

"Patients, who were supposed to have their surgeries today but turned down, would be prioritised and served soon," he told journalists at his office.

A five-member probe committee headed by dean of the surgery department was formed to identify the individuals involved in the incident and ordered to submit the report by seven workdays, he added.

RECRUITING ASST STATION MASTERS FOR RAILWAY Demand raised for scrapping 'anomalous' circular

STAFF CORRESPONDENT, Ctg

Bangladesh Railway Station Master and Karmachay Union yesterday demanded cancellation of the recruitment circular for assistant station masters, published on October 30 last year, where the offered salary scale is lower than the existing one.

The union leaders also demanded that the authorities republish it after correction within February 25.

They came up with the demand at a press conference at Chittagong Press Club.

Debtosh Barua, vice-president of Chittagong-unit of the union, while reading

out a written statement, said in the circular for recruiting 270 assistant station masters for railways, published on different newspapers, the salary scale was mentioned Tk 4,700 and required educational qualification was graduation.

However, the salary scale is Tk 4,900 with that educational qualification for station masters since 2009. Demands have also been made several times to raise the scale, he said.

The speakers also demanded upgrading the rank of the station masters from grade three to two. They also threatened to go for strict demonstrations, including work abstention, if the demands were not met.
