## Bishwa Rang to celebrate Pohela Baishakh

Pohela Baishakh is one of the biggest celebrations and is observed with great enthusiasm. The festival reflects our tradition and brings forth new hopes and aspirations every year.

In accordance with Pohela Baishakh, Bishwa Rang has come up with new designs to spread colours in the lives of Bengalis. The theme for the collection is inspired from 'shokher hari', which displays our very own Bengali heritage. 'Shokher Hari' is colourfully decorated with motifs of birds, flowers, fish and so much more.

The motifs for sari, salwar-kameez set, single kameez, panjabi, shirt, T-shirt,

dresses for kids, bag, jewellery, etc are borrowed from 'shokher hari'. Apart from the themed collection, many other designs

are also available for the upcoming festival. The new collection features many vibrant colours. Dresses in silk and cotton with block print, screen print, hand embroidery and hand paint are available. The collection will be displayed in all outlets from March 15 to April 30.

Bishwa Rang has also organised a photo contest. The last date of submission is March 25. To
