

TIB greets new ACC boss

STAFF CORRESPONDENT

Transparency International Bangladesh yesterday congratulated newly appointed Chairman of Anti Corruption Commission Iqbal Mahmud and its commissioner AFM Aminul Islam.

TIB Executive Director Iftekharuzzaman, in a statement, hoped that the reconstituted leadership of the commission will succeed in playing its legally determined roles irrespective of all kinds of influence, fear and pity. He said the unpromising role of ACC is essential to discharge its duties as an effective, independent and neutral institution, and therefore, it is the government's inevitable responsibility to create a suitable environment for this purpose.

Community patrolling starts to save Sundarbans

UNB, Bagerhat

Bangladesh Forest Department has introduced a community patrolling involving locals to protect forest resources and check wildlife poaching in the Sundarbans.

On March 4, 2016, the forest department formed a 35-member "Community Patrolling Group", including four women. Divided into five teams, they are now patrolling in the Sundarbans east zone, M Saidul Islam, divisional forest officer (east) told the news agency.

The group, under the World Bank-funded Strengthening Regional Cooperation for Wildlife Protection Project, is working with the forest officials to check the poaching and fight pirates in the Sundarbans.

The community group members, already provided with special uniforms, jackets, torchlights, shoes and blow-horns, are currently working as volunteers, but they

will be brought under income-generating activities in the coming days, forest officials said.

"If people living nearby come forward, it will be possible to protect the forest resources and check illegal activities and wildlife poaching easily," said Saidul.

Similar community patrolling will be introduced in Sharankhola range of the Sundarbans east zone at the end of this month, he added.

Wildlife is currently facing various troubles in the Sundarbans for the unchecked poaching and destruction of forests. According to the Tiger Census 2015, the tiger population has declined to only 106 in the Bangladesh part in 2015, while it was 440 in 2004.

The preliminary findings of a new crocodile survey also reveals that there are now only 120-130 crocodiles in the rivers and canals of the mangrove forest, while the number was about 200 in 2004.

filed against BNP chairperson Begum Khaleda Zia. According to media reports, around 101 million dollars of BB have recently been stolen from the Federal Reserve Bank.

Meanwhile, BNP Joint Secretary General Rizvi Ahmed said it was not possible to conduct hacking of this sort without an involvement of the government's officials.

"BB has already admitted that certain influential quarters within the government were involved in this stealing," Rizvi told a press briefing at the party's Nayapaltan headquarters.

Those BB officials who went on official visits to Singapore, Bangkok, Hong Kong, Malaysia, the Philippines, Sri Lanka, and the UAE in the last three years should be brought under a probe, he added.

He blamed the finance minister and the BB governor for the hacking, and demanded an exemplary punishment for the culprits involved.

Peaceful S Asia requires

regardless of their race, culture, social and economic background, caste, religion, and gender.

In his speech on "My Dream: How I Want to Vision South Asia", the DU professor said the states in South Asia must ensure the right to enjoy freedom, individual security and to live according to people's own choice.

"The state must ensure that none should be exposed to police or other law enforcers or administrative persecution and exposed to inhuman and cruel behaviour because he/she belongs to minority or indigenous or underprivileged community," observed Prof Roy, also father of slain writer-blogger Avijit Roy.

He said none should be arrested or driven out of the country without showing the lawful order; every citizen had the right to move freely without fear within the country and to live anywhere they liked.

He expressed frustration at the "failure" of the administration and law enforcers to save the lives and properties of minorities. The roles of the political parties and civil society are also disappointing, he added.

Prof Dr Ratan Khasnabis of Calcutta University criticised the Rashtriya Swayamsevak Sangh (RSS) and Indian Prime Minister Narendra Modi-led Bharatiya Janata Party government for "controlling the liberal voices".

The secular India cannot be ruled with a communal agenda, he said, adding that there must be a resistance against communalism and imperialism everywhere in the region.

Educationist Prof Pabitra Sarkar observed that women in this region were oppressed by fundamentalists on the excuse of religious sermons, thus they did not have the basic rights to live equally in the society.

Without education, there is no emancipation for women, he said.
