

CHECK IT OUT

Perfect accessory for your graceful persona!

Understanding your quest for something bigger and better, Samsung Mobile Bangladesh has updated the Galaxy A5 and A7 devices and introduced the A 2016 Edition. The 2016 versions of both the devices are a great revolution with premium designs and modern features.

With a metal and glass body along with only 2.3mm bezel, stylists can now make a fashion statement with these beauties. Boasting a slimness of 7.3mm, the new A5 and A7 come with 5.2" and 5.5" display respectively. Having the Octa Core processors, these devices are more efficient than ever. On top of that, they are also 4G-enabled LTE Cat.6.

Scrolling endlessly through Instagram for the best outfit of the day? Sifting through the gallery for the best selfie amongst thousands? The 2016 versions of A5 and A7 include quick launch, brighter photography, wide selfie, palm selfie, OIS and beautifying effects enabled cameras. Fast downloading and uploading makes this a much loved gadget. The best part of A 2016 is, the

devices will come up with 2900 mAh (A5) and 3300 mAh (A7) batteries. With pure sophistication, these devices are alluring additions to our lives.

Keeping in mind safety precautions and battery consumption, these handsets give us the best of both worlds. Now you can keep scrolling through your web browser without worrying about running out of charge. Even if you run out of charge you can avail fast charging with these gems. Offering smart manager features and fingerprint scanners, these gadgets provide the best security system available. Synced with our smart lives these devices are a combination of beauty and brain.
