

Pants cool enough for the summer

Keeping the sweltering heat in mind, Chondon Dewan designed a collection of stylish summer cotton pants in a variety of designs - floral prints, solid colours with printed patches or even block prints. From chic harem pants and cute capris to stylish flare pants, if you are a fashion enthusiast, they have you covered. Matched with stylish summer tops, these are perfect for everyday wear. Also, be sure to go check out Taaga's collection of summer pants. With unique patterns and designs in embroidery and tie n' dye, their collection has something to suit everyone's choice.
