AS THE CURTAINS CLOSE FOR CANNES 2016

Being one of the most important dates on the international film calendar, *Festival de Cannes* carried its legacy of providing glorious red carpet appearances with an abundance of the most celebrated attendees. George Clooney was naturally encircled by elegant and gorgeous women as he stepped on the red carpet for the premiere of *Money Monster*. Clooney and Julia Roberts are reuniting in *Money Monster* for the first time since the *Oceans* trilogy. From Bollywood, the beautiful Aishwarya Rai Bachchan took

everyone by surprise with her elegant pink gown and bold purple lips. Sonam Kapoor was another among the Bollywood stars who stunned the red carpet with her dramatic saree-inspired white gown.

As the festival curtains close tonight, with the gala night and the awards ceremony, we are delighted to present to our readers an exclusive glimpse to the festival this year. The Showbiz team will be back with the full coverage of Cannes, but as for the festival itself, au revoir.
