Bangladesh Makeup Festival by Enchanteur

'Enchanteur presents Bangladesh Makeup Festival June 2016' will be held on 3 and 4 June, 2016, at Hotel Sarina. The fair will showcase 30 of the most popular makeup stores among the youth of Dhaka City.

The scarcity of authentic foreign makeup brands in Dhaka has led to more and more women buying makeup from online stores which have limited physical presence but have built strong reputation in social media circles. This festival is inspired by the idea of arranging a glamorous fair where university students and young corporate women can come and purchase cosmetics from their trusted sellers.

The event will showcase brands such as BanglaShoppers, Shop Online, Rapunzel's Secret and several other brands who have earned strong consumer support and trust. In addition, the event will also have sessions where makeup artists teach the correct application of makeup, along with sessions from skin experts. Visitors will have the opportunity to participate in selfie contests, and win gifts from the sponsors.

Enchanteur, the title sponsor of the event, is a Malaysian perfume brand that is being officially launched in Bangladesh by SMV Consumers Limited. The photography partner for the event is Dreamweaver, and the radio partner is Radio Shadhin 92.4FM.
