CORRIGENDUM

On Star Lifestyle, Issue 51, dated on May 31, 2016 the Restaurant Review on page 6 featured the popular restaurant Chows. The article erroneously states Ria Pawar as one of the owners of the restaurant. Instead of the line, "Owned by Mishal Karim, Ria Pawar and friends" it should read as "Owned by Mishal Karim and friends."

We sincerely regret the error and apologise for any inconvenience it may have caused.
