DB wants BNP's Aslam to be relieved of section 54 charges

COURT CORRESPONDENT

Detectives yesterday appealed to a Dhaka court to discharge BNP leader Aslam Chowdhury in a case filed under section 54 of the Criminal Procedure Code, since he was shown arrested in three regular cases including one of sedition.

DB Inspector Golam Rabbani, also the case's investigation officer, submitted the appeal, which the court will decide on June 15.

Earlier on May 15, Aslam was picked up from the capital's Khilkhet area over the alleged plot with Israel to topple the government.

He was sued for the alleged sedition on May 26. Police is now interrogating him. He was also shown arrested in two arson cases filed during BNP-led 20party alliance's antigovernment agitation in January last year.

Police sought a 20-day remand prayer for quizzing Aslam. The hearing on the prayers is now pending.

In between 2010 and 2013, Bangladeshi scientists successfully decoded the jute plant genomes opening up a new vista in the development of varieties of the world's most adorned biodegradable natural fibre.

SC stays HC order to keep

FROM PAGE 3 market is repaired.

Chamber Judge of the Appellate Division of the SC Justice Mirza Hussain Haider passed the order following a petition filed by Mouchak Market Shop Owners' Association seeking a stay on the HC order.

Following the SC order, shop owners can run their shops with their own responsibility for the next six weeks, AM Aminuddin, a lawyer for the shop owners association, told The Daily Star.

He said his client had said in the stay petition that their business would be hampered if their shops were closed suddenly before the upcoming Eid.

The HC on Monday gave the order after a petition was filed by market owner Ashraf Kamal Pasha challenging the legality of a Rajdhani Unnayan Kartripakkha's order for repairing the building.

Based on a report prepared by the Bangladesh University of Engineering and Technology (Buet) in September last year, Rajuk sent a letter to the market owner on May 2 this year asking to vacate the shops and repair the market immediately as it became risky.

The HC, however, at the same time issued a rule upon the authorities concerned to explain why the Rajuk's directives should not be declared illegal.
