INFORMATION FOR APPLICANT

15. Brief description of the assignment : The Government of Bangladesh (GoB) is going to undertake a major project aimed at improving housing and security of tenure for poor urban communities across Bangladesh. The Low Income Community Housing Support Project (LICHSP), with the assistance of the World Bank, will utilize funds of US\$ 50 million. National Housing Authority (NHA) under the Ministry of Housing and Public Works provides affordable housing to the lower and middle income people of Bangladesh. The Government of Bangladesh wants to develop a mode of facilitating secure housing opportunities for residents of slums and informal settlements. The project would expand the role of the National Housing Authority (NHA) from that of being predominantly a housing supplier, to an enabler and facilitator of community-driven solutions to improved and secure housing. This would test an approach to flexible and locally driven solutions to land tenure and financing for interventions that are best suited to local community needs and conditions. To implement the Project NHA will set up a Project Management Unit (PMU). The PMU will consist of a multi-disciplinary team of national experts under the Project Director to carry out the pilot housing projects. The NHA, who is implementing the project, is seeking to recruit **Financial Management Specialist; Procurement Specialist and Urban Environmental Specialist** to join the PMU in the Low Income Community Housing Support Project (LICHSP). These three consultants would be selected following the World Bank Guidelines for the Selection and Employment of the Individual Consultants by the World Bank Borrowers. The main objective of this consultancy is to provide advisory and specialized technical support to the PMU, NHA and timely implementation of the development component of the project. Positions of the services for the assignment are as follows:
