

Tiger Shroff would love to do 'ABCD 3'

Just two films old and Tiger Shroff has made his mark in Bollywood despite initial hiccups. Having done an impressive job in both 'Heropanti' and 'Baaghi', the young star will be seen next in Remo D'Souza's next venture — 'A Flying Jatt'. Touted to be a superhero flick with Tiger and Jacqueline Fernandez lead roles, it will see Tiger perform some elaborate stunts.

Shooting for the movie has wrapped up and it is suspected that Remo is so impressed with Tiger's talent and dedication that he may want to sign him up for 'ABCD 3'. Tiger, however, plays down the reports and says that Remo has so far not told him anything but that he would love to do it in case it came his way. The actor says that he is feeling secure and hopes that he continues to grow as an actor.

NEETI MOHAN

feels lucky to have won a reality show

Singer Neeti Mohan has sung some hit numbers in the recent past — 'Ishq Wala Love', 'Jiya Re', 'Saddi Gali Aaja' and 'Har Kisi Ko' to name a few. However, the Singer says that she feels really lucky to have participated and won a reality show, as it helped her kick-start her playback singing career. She goes ahead to say that she didn't fit into Mumbai initially, as she found it to be too fast. In spite of being slightly distorting in the beginning, she's glad that she didn't give up.

Neeti feels humbled to have worked with great musicians in the likes of AR Rahman and Sachin-Jigar. She gives all the credit of her success to her family, as they have always been extremely supportive of her, in spite of the fact that no one in her family is an artist.

ABHISHEK FEELS DAD 'OUTDID' HIMSELF IN TE3N

Abhishek Bachchan has branded his father Amitabh Bachchan as a "magician" as he feels that Big B has outdone his past performances with 'TE3N'. In a series of tweets, the 40-year-old actor wrote, "Just when you think that he cannot outdo his last performance.... He does. @SrBachchan is a magician. #TE3N."

He continued, "Not going to carry on tweeting about him. Am gonna go across and give him a giant hug. #TE3N." The movie was recently released on June 10 and Ribhu Dasgupta bringing together three powerhouse performers like Amitabh Bachchan, Nawazuddin Siddiqui and Vidya Balan for the first time on celluloid, has already piqued the interest of movie goers for its rare ensemble.
