

Avijit Mukherjee for more border haats

STAFF CORRESPONDENT

Visiting Indian Lok Sabha member Avijit Mukherjee yesterday said strengthening of friendship between Bangladeshis and Indians was directly proportional to bilateral trade and expanding businesses would develop relations since the people shared similar cultures and languages.

He was addressing a reception organised in his honour by Bangladesh-India Friendship Society at its Eskaton office in the capital, says a press release.

Avijit, also son of Indian President Pranab Mukherjee, also underscored the need to organise more border haats on the north-eastern borders and develop communication systems. He promised giving all-out support to simplify the visa process.

Efforts on to equip police: Home boss

STAFF CORRESPONDENT

Home Minister Asaduzzaman Khan Kamal yesterday in parliament said the government is trying to equip the police as a modern force to ensure security of people.

"The prime minister thinks the country's all development activities will come at a halt if we cannot provide country's security properly, security of industries and highways," the Home boss at the budget discussion.

"All our progress will be hampered if people cannot sleep in peace," he added.

Apart from police, the home minister said the government is trying to modernise Rapid Action Battalion, Border Guard Bangladesh, Bangladesh Coast Guard and Fire Service and Civil Defence.

The minister said the government has formed different specialised units of the police, including counter-terrorism

Wahiduzzaman, a student, said he started on a bus from Uttara around 3:00pm and reached Farmgate at 5:45pm.

Denying that the congestion was due to the 14-party human chain, Mosleh Uddin Ahmed, joint commissioner (traffic) of Dhaka Metropolitan Police, said he heard about congestion at Sonargaon intersection and on Bijoy Sharani and traffic police were working to ease the situation.

Sudden rain in the late afternoon and overburdened vehicles on city roads could be reasons for the evening congestion, the DMP official added.

50,000 Bangladeshis freed from foreign jails in 5yrs

Foreign minister tells JS

STAFF CORRESPONDENT

Bangladesh signed "the agreement on the transfer of sentenced persons" with the UAE in October 2014, he said.

In reply to another query, he said Pakistan's reaction on the trial of war criminals in Bangladesh was totally irrelevant, biased, unacceptable and beyond etiquette.

The minister said after the execution of war criminals Pakistan parliament brought condemn motions and its foreign minister issued arrogant statements.

"These are unblushing interference in an independent country," he said.

He mentioned that Pakistan government's statements in favour of war criminals were tantamount to admitting its involvement in mass killing during 1971 and accepting the responsibility.

About the tri-national treaty among Bangladesh, India and Pakistan, the minister said there was nothing stated in that agreement that persons involved in crimes against humanity like mass killing, arson and rape could not be tried.

Rather Pakistan itself failed to follow the compulsion to bring its citizens involved in mass killing under trial, he added.

Around 50,000 Bangladeshi nationals were freed from foreign jails over the last five years, Foreign Minister AH Mahmood Ali told the parliament yesterday.

As per the statistics placed in parliament, the minister said a total of 49,503 Bangladeshis were released in 20 countries between 2012 and May, 2016.

The highest 18,721 Bangladeshis were released from Malaysian jails during the period, while 17,335 prisoners in Saudi Arabia and 5,000 in the UAE, said Ali replying to lawmakers' queries.

In the scripted answer, the FM said 2,025 were released from Singapore, 1,982 from Mexico, 875 from India, 728 from Turkey, 720 from Jordan, 650 from Lebanon, 440 from Iraq, 377 from Myanmar, 250 from Hong Kong and 241 from Pakistan.

Apart from this, 48 were released from Nepal, 45 from Brunei, 35 from Belgium, 17 from Iran, nine from Korea, three from Libya and two from Morocco.

Meanwhile, in reply to queries, Home Minister Asaduzzaman Khan Kamal told the House that Bangladesh had extradition treaties with India and the UAE.

ALMP slams Rana Dasgupta over seeking Indian PM's help for minority people

STAFF CORRESPONDENT

Ruling Awami League lawmaker Abdul Mazid yesterday in parliament slammed Bangladesh Hindu-Buddhist-Christian Oikya Parishad leader Rana Dasgupta for his alleged speech on seeking the Indian prime minister's intervention regarding security of minority people in Bangladesh.

The AL lawmaker from Habiganj-2 alleged that Rana Dasgupta's comment will hamper Bangladesh's communal harmony.

"Why he [Rana] is speaking the way Pakistan speaks about Bangladesh?" said Mazid mentioning that Bangladesh is a country of communal harmony which is internationally recognised. But Rana Dasgupta has spoken against this communal harmony.

He also said the government has given special allocation of Tk 200 crore in the budget for the welfare of Hindu community.

Physiotherapists seek dignity in profession

STAFF CORRESPONDENT

Leaders of Bangladesh Physiotherapy Association (BPA) yesterday said they would not accept the government's "illogical recruitment proposal" which diminished their professional status.

Addressing a press conference at Dhaka Reporters Unity, they alleged that BPA had recently passed a "controversial" proposal for the recruitment of para-medical and technologists by downgrading the physiotherapists, said a press release by BPA press secretary Mohsin Kabir.

Former secretary general of Physical Medicine Association Prof Abdur Rashid, however, told The Daily Star that it was the government's duty to take any decision for the recruitment not by any person or organisation.

"They (BPA) can't raise an allegation against Physical Medicine Association because it is the government which takes all decisions," he added.

Three years ago today, Sohrab left us to carry on with his journey towards the Eternal. While he was here he found a niche in many hearts, and those hearts remember him with love and prayers today, as they do on every other day.

Sohrab is an essential part of our family, we are incomplete without him and await to be reunited.

Sincerely,
"We shall unite the true believers with those of their descendants who follow them in faith and shall not deny them the rewards of their goodness; each person is hostage to his own deeds."
