

CHECK IT OUT

Damini

Damini is a new online boutique specialised for women where you can find both western and fusion style skirts. While the western ones have ribbons, vintage stripes, floral prints, the fusion ones are embellished with heavy embroidery, mirror and zari work. The price ranges from Tk. 1200 to Tk. 3000 and up for a skirt.

They are suitable for casual hangouts, social engagements such as iftar parties or even the most awaited occasions of the year such as Eid get-togethers. The skirts at Damini are paired with plain or printed tops of knit, silk, georgette or crepe fabric. These monochrome colours or soft floral motifs provide an amazing contrast to the elaborate details in the skirts.

You can also check out slit kurtis at Damini, available at a very affordable price. The page also offers traditional embroidered kameez, maxi dresses and much more, all designed by a final year student from IBA, University of Dhaka. The designer is motivated by her passion of styling and hopes to bring something new and different for all

the seasons. For your summer cum Eid shopping frenzy, check out Damini at: facebook.com/damini.bymonisha/?fref=ts
