Government of the People's Republic of Bangladesh
Bangladesh Bureau of Statistics (BBS)
Digitization of BBS Publication and Online Secondary Data Collection Project
Parisankhyan Bhaban, (8th Floor, Block-A), E-27/A, Agargaon, Dhaka-1207

Re-Request for EoI (National)

For selection of company/firm/firms to digitize previous publications of BBS and develop an online secondary data collection system

1	Ministry/Division	Ministry of Planning, Statistics & Informatics Division (SID).
2	Agency	Bangladesh Bureau of Statistics (BBS).
3	Name of the procuring entity	Digitization of BBS Publication and Online Secondary Data Collection Project.
4	Procuring entity code	5045.
5	Procuring entity district	Dhaka.
6	Expression of interest for selection of	Company/Firm for Digitization of BBS Publication and Online Secondary Data Collection.
7	Re-EoI Ref. No.	52.01.0000.224.05.009.15-298
8	Date (dd/mm/yyyy)	16-07-2016
9	Procurement method	Quality and Cost Based Selection (QCBS).
10	Budget and source of fund	Development Budget of GOB.
11	Project/programme code	1631-5045
12	Project/programme name	Digitization of BBS Publication and Online Secondary Data Collection Project.
13	Re-EoI closing date & time	Re-EoI (in sealed envelope) to be submitted by 04 August, 2016 (within 5:00pm) to the Project Director, Digitization of BBS Publication and Online Secondary Data Collection Project, Parisankhyan Bhaban, 8th Floor (Room No. 921, (Block-02), E-27/A, Agargaon, Dhaka-1207.

14	Brief description of the services/assignments

Terms of Reference (TOR) for Digitization of BBS Publications and Online Secondary Data Collection:
The Government of the People's Republic of Bangladesh has mandated Bangladesh Bureau of Statistics (BBS) as the 'National Statistical Organization (NSO)' to produce national statistics through various surveys and censuses for formulating evidence-based planning and policy decision. It has been regulated by the 'Statistics Act 2013'. Meanwhile, BBS has already been conducted several surveys and censuses since independence. But, there is a limitation of the web based soft copy of the previous survey and census results/publications due to lack of proper digital preservation methods. For this reason, the stakeholders don't have easy access to the previous BBS publications or reports. On the other hand, BBS has to collect secondary data from several institutions to produce national statistics. Currently, most of the secondary data are collected manually which is basically time consuming, expensive and old fashioned.
Considering the abovementioned issues, the BBS authority has taken the initiative to digitize all the publications by BBS since independence and to establish retrievable systems for all previous, current and future publications with the facility of searching Optimization (Like Google). Moreover, BBS has planned to develop online data collection system to collect secondary data from various institutions on a regular basis to generate monthly and other related publications/reports automatically.

	Item No.	Name of item or related service	Technical specifications and standards
		a. Software Development	**A. For Digitization:** 1. Software should be centralized and web based for scanning and digitization with the features like searching, reading, downloading (free of cost & online payment based) etc. for all publications (around 1.5 million pages); 2. Consulting firm will have to perform whole (Around 1.5 million pages) scanning tasks for all publications; 3. Develop mobile apps with the features like searching, reading, downloading (free of cost & online payment based) etc. for all BBS publications; 4. Development of RDBMS (existing Oracle 11g), migration of all digitized data/information to RDBMS; **B. For Online Secondary Data Collection:** 1. Web based Software Development for online secondary data collection, processing, analyzing and publishing system (around 60 public organizations); 2. Development of RDBMS (existing Oracle 11g), migration of existing data to RDBMS;
		b. Delivery System	**A. For Digitization :** 1. Installation, testing and commissioning at BBS Server. 2. Delivery will be in three phases. • Phase-A1: Commencement ceremony before starting the assignments, Preparation of web enabled software and develops mobile apps, supply of logistics, arranging workshop/ seminar/ training etc; • Phase-A2: Digitization of Publications and establish a retrievable systems for all previous publications with the facility of searching Optimization (Like Google), arranging workshop/ seminar/ training etc.; • Phase-A3: Align with phase-A1 and phase-A2. Role based user management system, Ensure security (Hardware & Software), arranging workshop/seminar/training and arranging 'A Grand Inauguration Ceremony' of the digitization assignments at any reputed venue in order to announce the tasks to the stakeholders etc. **B. For Online Secondary Data Collection:** 1. Installation, testing and commissioning at BBS Server. 2. Delivery will be in three phases. • Phase-B1: Requirement analysis, systems and database design arranging workshop/seminar/training etc.; • Phase-B2: Input system: The data entry/capturing module will be delivered, arranging workshop/seminar/training etc.; • Phase-B3: Reporting system, align with phase-B1 and phase-B2. Role based user management system, Ensure security (Hardware & Software), arranging workshop/seminar/ training and arranging a 'Grand Inauguration Ceremony' of the online secondary data collection system at any well organized and reputed venue in order to announce the tasks to the stakeholders etc.
		c. Training	• The firm shall have to provide or arrange training for digitization part. • The firm shall have to provide or arrange user training program for online secondary data collection part. • The firm shall have to provide or arrange advanced level training (system user, administrative & application development) programme for online secondary data collection part.
		d. Support	• Three (03) years full warranty & providing Source Code with Technical Document; and • Supply, installation, testing & commissioning of relevant hardware as well as application software system with full redundant backup system.
		e. Mode of financing	**A. For Digitization and Scanning:** After successful completion of each phase (approval by the authority) the selected firm/firms will be paid in the following way: • Phase-A1: 25% • Phase-A2: 50% • Phase-A3: 25% **B. For Online Secondary Data Collection:** After successful completion of each phase (approval by the authority) the selected firm/firms will be paid in the following way: • Phase-B1: 25% • Phase-B2: 35% • Phase-B3: 40% **Note:** The detail description of services will be furnished in the RFP document and budget for each item (A and B) will be as per contract agreement/MoU which will be signed between the procuring entity and the company/firm/firms.
15	Experience, resource and delivery capacity required		The firm having trained manpower and at least minimum 3 years' experiences in doing such jobs are essential. The firm has to demonstrate the resources and delivery capacity with documentary evidence for similar assignment. A firm with relevant and highly experienced personnel will be preferred.
16	Other information (if applicable)		1. Two (02) sets of EOI (01 original & 01 copy) are required to be submitted by the closing date & time to the project office; 2. Interested firm(s) with required experts may apply with documentary evidences indicating that it is qualified to perform the services (Brochures, description of assignment of similar nature, experience in similar condition, availability of appropriate experienced personnel, etc.); 3. Audit reports and bank solvency certificate, bank statements of last 06 months; 4. Company/firm information with legal documents (company profile, trade licence, incorporation certificate for limited company, income tax clearance certificate, VAT registration certificate, etc.); 5. Any company/firm(s) are debarred by CPTU will not be eligible for participating the Re-EoI. 6. RFP will be issued only to the short listed firms.
17	Association with foreign company/firm is		Applicable (MoU required and lead firm should be Bangladeshi).
18	Association with local company/firm		Having association with local company/firm will be treated as additional quality/qualification.
19	Name of the official inviting Re-EOI		Mohiuddin Ahmed.
20	Designation of the official inviting Re-EoI		Project Director, Digitization of BBS Publication and Online Secondary Data Collection.
21	Address of the official inviting Re-EoI		Bangladesh Bureau of Statistics, Parisankhyan Bhaban, Room # 920, 921 (8th Floor), Block-02, E-27/A, Agargaon, Dhaka-1207, Bangladesh.
22	Contact details of the official inviting Re-EoI		Land Phone: 8181669 (Off.) Fax : 880-2-9111064 (DG, BBS) Email : dg@bbs.gov.bd, mohiuddin.bbs@gmail.com
23	The procuring entity reserves the right to accept or reject any or all of the EOI proposals without showing any reason whatsoever.		

Mohiuddin Ahmed
Project Director

GD-1447

DEPARTMENT OF COMPUTER SCIENCE and ENGINEERING
JAHANGIRNAGAR UNIVERSITY
PMSCS PROGRAM
ADMISSION: FALL 2016
Master of Science (M.Sc.) in Computer Science

Program Features:
- Highly qualified faculty members with international teaching and research exposures
- Trimester system to complete the program in the shortest possible time
- Classes are conducted on Fridays only
- Wi-Fi connectivity and modern computer lab facilities
- Class rooms equipped with multimedia facilities
- Most updated library with the latest books and journals
- Transport facilities for the students (Dhaka-Campus-Dhaka)

Applicant's Eligibility:
Applicants must satisfy any one of the following criteria:
- 4-year BSc (or 3-year Honors + 1-year MSc) in CS/CSE/IT/EEE/ECE/ETE or equivalent
- BSc (Engineering) in any discipline
- 4-year BSc (or 3-year Honors + 1-year MSc) in Physics/Mathematics/Statistics/ Geological Sciences/Chemistry/Environmental Sciences
- 4-year BSc (or 3-year Honors + 1-year MSc) in any subject with at least 1-year PGD in CSE/IT or equivalent

Application Procedure:
Application can be done either Online or Offline. You can follow either method.

Online Application Process:
Pay off Tk. 1000/- as application processing fee from your/agent's Dutch Bangla Mobile Banking Account to CSE, JU biller code 345. The process is as follows:
- Using your/agent's Dutch Bangla Mobile Banking Account, dial ***322#**
- From the menu appeared, select **1** for Payment
- Enter **345** as Biller ID
- Enter **your mobile no.** as Bill Number
- Enter **1000** as Amount
- Enter your/agent's mobile banking **PIN**
- Collect **Txnid** (TRANSACTION ID) from the return SMS
- After 24 hours, visit the page: http://www.ju-appsys.org/cse/pmscs and complete your registration process. After successful registration, you will be provided with a login panel through http://www.ju-appsys.org/cse/pmscs/login.aspx and then **Login** using username and password. Now, complete the form with your detail information. Put your mobile number and transaction ID (Txnid) to complete application and finally, download your admit card.

Offline Application Process:
Each applicant must complete his/her registration through the site http://www.ju-appsys.org/cse/pmscs/. After registration, login to our system through http://www.ju-appsys.org/cse/pmscs/login.aspx and complete the form with other required information except transaction. Transaction amount of BDT 1000/- (in cash) should be submitted to the departmental office during the office hour (*between 9:00 am and 4:30 pm*) to complete application process.

Key Dates:	Application Deadline	August 17, 2016
	Admission Test	August 19, 2016 (Friday) at 3:00 PM
	Commencement of Class	September 9, 2016

* *Result will be published on August 20, 2016 in our website. For further information about the program, please visit our website or call: 01941-336337.*

Institute of Business Administration (IBA)

MBA Admission Test

56th Batch, Full time (Session 2015 - 2016)

MBA Admission Test (2015–2016) of Institute of Business Administration (IBA), University of Dhaka, will be held on Friday, July 22, 2016 at 10:00 am.

ELIGIBILITY

Applicants must have at least a Bachelor Degree in any field of study. The minimum qualifying point is seven (07) for all applicants. The points are calculated as follows:

SSC and HSC or Equivalents

SSC GPA/Div	HSC GPA/Div	O-Level GPA*	A-Level GPA*	Points Earned
>= 3.5/Ist	>= 3.5/Ist	>= 3.0	>=2.5	3
>= 2.5/2nd	>= 2.5/2nd	>= 2.5	>= 2.0	2

* Letter grades of O-Level and A-Level subjects are converted into grade points as follows: A = 4, B = 3, C = 2 and D = 1. Grade Point Average (GPA) is calculated by averaging the grade points of the best five grades for O-Level and the best two grades for A-Level.

Candidates with third division or GPA of less than 2.5 in SSC or HSC or GPA of less than 2.5 in O-Level or less than 2.0 in A-Level examinations will not be eligible for application.

Applicants who have taken O-Level examinations must pass at least five (05) subjects (including mathematics) with a minimum of grade D in each of the subjects.

Applicants who have taken the A-Level examinations must pass at least two (02) subjects with a minimum of grade D in each of the subjects.

Bachelors and Masters Program

Certificate/Degree	GPA / Division / Class		
	>=3.5/1st	>=3.0/2nd	>=2.5/3rd
Bachelor Degree (Pass)	4	3	2
Bachelor (Hons. /4 yr.)	5	4	2
Masters	1	1	1

For all other foreign certificates/degrees, equivalence is determined by the Equivalence Committee of IBA. Without such equivalence, the applicants are not allowed to sit for the admission test.

APPLICATION PROCEDURE

Application must be submitted online by **19 July 2016**. For detailed application procedure, visit the website at **www.iba-du.edu** or **http://smartadmission.info/mba-iba**

Application fee is Tk. 1000/- (including service charge).

For further information contact the MBA Program Office (Room # 216, 1st floor, IBA) or call at **01764119001** or **01764119002** between 10:00 am to 4:00 pm on any day except Friday.

SELECTION PROCEDURE

The test has two components: Written Assessment and Interview. The written assessment component evaluates applicants' aptitude in Language, Mathematics, and Analytical ability. An applicant must obtain a minimum qualifying score in each of the above areas to pass the written test and appear at the interview.

An applicant with foreign nationality with minimum 75 percentile in GMAT may be exempted from the written assessment. However, he/she will be required to appear at an interview.

Mobile phone, calculator or any other electronic device is strictly prohibited in the Examination Hall.
