

# CLASH OVER PATIENT'S DEATH Rangpur hospital doctors go for indefinite strike

OUR CORRESPONDENT, Dinajpur  
The doctors of Rangpur Medical College Hospital (RMCH) went on an indefinite strike following a clash with the family members at the hospital over the death of their patient yesterday.  
The doctors demanded immediate arrest of the attendants of Monirul Islam Montu, 55, RMCH sources said.  
Meanwhile, the fellows of Montu, who was a trader of electrical products in the city's Shapla Chattar area, blocked two roads there for half an hour protesting the death.  
The family alleged Montu of the city's Bokultola died due to wrong treatment and negligence at the hospital.  
Locals said Montu was shifted to RMCH early yesterday from a local clinic after he was found unconscious following an attack by a dope gang while he was returning home from Dhaka on Tuesday night.  
Rangpur Sadar police said both the family of the deceased and the doctors blamed each other for the clash.  
Dr AKM Nur Un Nabi Lyju of RMCH denied the allegations of wrong treatment and negligence.

# Dhaka city canals in death throes

FROM PAGE 3  
we did not get any positive response so far," he added.  
Same scenario of dumping garbage was found in the canals like Khilgaon-Basabo, Manda, Jirani, Sanbadik Colony, Baishteki, Ibrahimpur and Hazaribagh.  
**CONFLUENCE POINT OF FOUR CANALS**  
The confluence point of four canals (Segunbagicha, Jirani, Khilgaon-Basabo and Manda) was found shrunk due to land grabbing.  
Though it is very essential to keep a vast place at the confluence point to retain water for a certain time but encroachment is going on fast.  
**SANGBADIK COLONY CANAL**  
The condition of the canal was found so bad that a person will be able to walk through the canal due to mindless dumping of solid waste.  
Kuddus, a shopkeeper near Kalshi road, said the authorities concerned have cleaned the canal around six months back but it got filled up with garbage again.  
**BAISTAKE CANAL**  
The Baistake canal was encroached at

different points and got narrowed.  
Md Golam Faruk, a resident of the area, said the canal had around 100 feet width, which was reduced to even five to seven feet at different points.  
Due to rampant dumping of solid waste from different adjoining houses and garments factories, the canal lost its navigability shortly after its cleaning work, he said.  
**IBRAHIMPUR CANAL**  
The pile of garbage was seen on the south side of canal at Ibrahimpur Pool during the visit. Baro Mian, a resident of Ibrahimpur, said the canal was cleaned around one month back, but it again got filled up due to continuous dumping of solid waste.  
Monir, a resident of Ibrahimpur, said, "They just cleaned the surface garbage. The amount of garbage would be around 7/8 feet high but they only cleaned less than one foot."  
**HAZARIBAGH CANAL**  
During a recent visit to Hazaribagh canal it was found that the canal was filled with tannery waste. Abul Mian, leader of day labourers, said it is not possible to clean the bed with day labourers as it needs machine to clean

it properly.  
Though they are cleaning the canal, the factories are dumping its waste continuously, he said.  
**KHILGAON-BASABO CANAL**  
During a visit in April, many small trees and grass were seen on the bed of the Khilgaon-Basabo canal, which is a sign of not cleaning the canal for long.  
**BAUNIA CANAL**  
Once the name of the Baunia canal was "Kahor Doriya" [huge waterway], as it was as wide as a river. But now it has been reduced and falling prey to illegal grabbing.  
The water bodies have turned into different plots and many structures were built. Earth filling at many points is also going on.  
The 26 canals are Kallyanpur main canal, Kallyanpur Ka, Kha, Gha, Uma and Cha canals, Katasur, Ramchandpur, Abdullahpur, Diyabari, Digun, Gulshan-Banani, Mohakhali, Hazaribagh, Begunbari, Khilgaon-Basabo, Manda, Sutivola, Badda-Shahjadpur, Rupnagar, Baisteki, Kalshi, Bouniya, Ibrahimpur canals, Housing canal in Mirpur-14 and Jirani canal.

# Stop grabbing of rivers in Natore, Patuakhali: HC

STAFF CORRESPONDENT  
The High Court yesterday directed the authorities concerned of the government to take steps to stop grabbing lands of two rivers in Natore and Patuakhali.  
In response to a petition, the court issued status quo on constructing a dam in Tulshigonga River at Gurudaspur in Natore.  
It asked the deputy commissioner and superintendent of police to submit a report in this regard in four weeks.  
Following another similar petition, the HC ordered the authorities to take steps in 72 hours to stop grabbing a land of Tiakhali River in Kolpara area of Patuakhali and asked its DC to submit a report in four weeks.  
The court also issued two rules asking the authorities to explain in four weeks as to why their inaction to protect the lands of the rivers should not be declared illegal and why they should not be directed to remove the structures built there.  
The bench of Justice Zubayer Rahman Chowdhury and Justice Md Khasruzzaman gave the orders and rules after hearing two petitions moved by Human Rights and Peace for Bangladesh.  
During hearing, HRPB's lawyer Manzill Murshid told the court that the administration did not take any step to stop grabbing of the lands, he added.
