

# LUCKY AKHAND seeks help for treatment

Popular singer-composer Lucky Akhand sought assistance from the government to continue his treatment for lung cancer, which he has been suffering for a very long time. It has become very difficult for Lucky to continue to afford the treatment. He was admitted to BIRDEM Hospital after he returned from his visit to Bangkok on March 25. Lucky mentioned

that he had spent all of his money for chemotherapy, and as a result he is having a hard time continuing his treatment.

Some of Lucky Akhand's noteworthy songs are "Amay Dekona", "Ei Neel Monihar", "Agey Jodi Jantam", "Hridoy Amar".

Lucky was diagnosed with grade-IV lung cancer back in 2015.

## Shuvo's New Look

Arefin Shuvo is working hard to shed weight for his upcoming film "Prem O Premi" by Zakir Hossain Raju, which he is shooting at the moment. Co-starring in the film is popular actress Nusrat Faria.

The actor is planning on coming up with a different look for each of his movies in the future. He is going to gym regularly to maintain a good physique. The actor mentioned that he thinks

about movies all day long and tries to come up with new looks to stand out. In current times, it has become a trend for actors to come up with innovative looks for each film. In order to do so, they put a lot of effort, from losing weight to gaining weight according to the movie's requirements.

Shuvo's new movie "Niyoti" was released recently in Kolkata.

## NUSRAT FARIA

Happy with reaction to "Badsha"

Nusrat Faria's latest film "Badsha" was released this Eid which received good response from the actors and audience. According to her, she is receiving more praise for her performance in "Badsha" than she did for "Aashiqui" and "Hero 420" from the audience and actors. She also feels that she needs to perform better than before now as everyone will

be expecting more.

Starring with her in the film is popular actor Jeet. Among the list of movies released in Eid, "Badsha" stands at second place in terms of box office collection. The movie has gained quite the popularity in movie theatres. The movie was released in a total of 60 halls, with a possibility for an increase in the number.
