BLOCKING 35 NEWS WEBSITES
BFUJ, DUJ factions
threaten to start strike

STAFF CORRESPONDENT

Protesting a Bangladesh Telecommunication Regulatory Commission directive on Friday to block 35 news websites, leaders of two Bangladesh Federal Union of Journalists (BFUJ) and Dhaka Union of Journalists (DUJ) factions yesterday threatened non-stop agitation if it was not withdrawn immediately.

Addressing a rally in their Jatiya Press Club office in the capital, they termed the block illegal as notices were not served beforehand, saying it was an "undemocratic" and "dictatorial" approach of the government to curb press freedom.

They also alleged that clampdowns on television channels and newspapers and torture and arrest of journalists since the 2008 national elections targeted silencing views going against government interests.

Following a government directive, all International Internet Gateway operators were directed to block the websites including sheernewsbd.com, amardeshonline.com, and dinkalonline.net.

Shawkat Mahmud, one BFUJ faction president and BNP Chairperson Khaleda Zia's adviser, alleged that fear of harassment by law enforcers has stifled opinion and control over the media was in its "worst" form.

Later, she will pay a brief tour to London and then proceed to New York to attend the United Nations General Assembly.

Officials said the PM will visit Canada at the invitation of her Canadian counterpart Justin Trudeau.

Remove Moheshkhal dam
Residents demand at Ctg press conference
STAFF CORRESPONDENT, Ctg

Some residents of Chittagong city's Halishahar yesterday demanded immediate removal of a dam set up across Moheshkhal as, what they said, it creates waterlogging in the area.

They also sought a sluice gate at the mouth of the canal to mitigate the crisis.

At a press conference, the residents of Munimagar and South Halishahar under the banner of "Conscious citizens of ward-37 and 38" also threatened to start a tough movement if their demands are not met in a month.

"Although there was no rain during the last few days, our houses are being flooded every day due to tide of Moheshkhal. We neither can cook nor bring food from outside," said Habib Sharif, member secretary of the platform.

They said they handed over a memorandum to Chittagong Port Authority to press the demands on July 13, but to no avail.

CPA built the dam in September 2015 to ease the waterlogging problem of Agrabad and Halishahar areas caused by rain and tidal water.

Although it largely solved the problem in Agrabad CDA, Halishahar, Chotopul, and Boropul areas, a new problem arose as the initiative brought misfortune upon residents of South Middle Halishahar area in ward no-37 and 38, who are now experiencing flood for the obstruction of the canal's natural water flow, according to the residents.

The Daily Star published a story on the issue on July 24.

CPA member (planning and administration) Zafar Alam at that time said the demand for removal of the dam was not logical as there might be many other reasons for such waterlogging.

DIPLOMATIC CORRESPONDENT

The government is determined and continuing diplomatic efforts with countries concerned for the repatriation of the six fugitive convicted killers of Bangabandhu Sheikh Mujibur Rahman.

"...this is one of our top priority assignments," State Minister for Foreign Affairs Md Shahriar Alam told journalists yesterday.

More than one is reportedly in the US, another in Canada while the three others' whereabouts are still unknown.

"You know there are some barriers," Shahriar said, adding that the government was engaged in the process to cancel the political asylum of one.

He said one convict's application seeking political asylum got rejected in a country which is opposed to death penalty and that the Bangladesh government was committed to the nation and respectful towards its laws.

On a question on the repatriation delay, Shahriar said, "That's where our challenge

rumours that foreigners were leaving the summer vacation was ongoing and that visits were being cancelled can only be said if the trend continued after the vacation in late August and September's first week.

Shahriar said normalcy would return through sustenance of the current improved law and order situation.

He said Bangladesh underwent a similar challenge last year after the killing of a Japanese national and Italian citizen.

"Our challenge is to reinstate the sense of security among our nationals and foreign friends. Through a certain process it will be restored," he added.
