## EMK MOVES PRESENTS: ISOLATION - A DANCE EXPLORATION OF THE HUMAN BODY

**Date:** Saturday, August 20

**Time:** 7-9pm

**Venue:** EMK Center, Midas Center Building (9th Floor) House#5, Road#27 (old) Dhanmondi

The show will present concepts of six young choreographers; the elements they worked with were tied to the human body through its 'isolation'. A crucial aspect as it is, the human body's inevitable choice of becoming isolated both cognitively and bodily through growth and age is a belief mostly unnoticed. Other themes they explored were limitations to bodies, the point of which bodies seize to commute, the longings to be heard, and the overcoming of cultural and social barriers.

The dancers wanted to collectively put together their own ideas and renditions of bodily movements and provoking thoughts to put a 35 minute presentation. The performance aims to evoke the semblance of 'isolations' within ourselves, and within our minds.

An interactive, dialogue session will follow the performance.

**Tickets:** Priced at Tk 100 will be available at the venue.
