EYE OF THE TIGER!

The Olympics is surely the most important sporting event in the world. Participating at 'the greatest sporting event' is every athlete's dream. However, only a few can experience this dream. And among the best, a lot fewer make it to the winner's podium - the highest platform any sportsperson can dream to stand on. Rio Olympics 2016 is in full swing. This year, seven athletes (in five categories: swimming, archery, athletics, shooting and golf) are representing our nation on the world stage. They are our heroes, our pride. As an ovation, Star Lifestyle presents you Olympics-themed rickshaw art, depicting many of the Bangladeshi players who are taking part this year.
