

SALMAN SHAH FESTIVAL

to take place in September

On the occasion of the late eminent actor, Salman Shah's 45th birthday, a festival will be organized by Salman Shah Smriti Parishad. The association is formed by actors, singers and media personnel who organize this festival every year to commemorate the career of the legendary actor. Like every other year, this year is no

exception and the festival is scheduled to take place on September 19, 2016. On this occasion, the day-long festival will include discussions, cake-cutting, film appreciation, cultural activities and a rally of stars. The event will take place in Jasim Floor, at Bangladesh Film Development Corporation (BFDC).

RITUPARNA

Invites Shuvo and Ferdous

Popular actress from Kolkata Rituparna Sengupta recently invited Bangladeshi actors Arefin Shuvo and Ferdous in Kolkata to attend the audio launch of her upcoming film "Potadar Kirti". The film is directed by Jeet Dutta. Rituparna was previously seen in the film "Praktan" alongside Jeet.

Shuvo mentioned that Rituparna and Ferdous are close

friends and have worked together before several times. Even in her upcoming film, Ferdous plays a cameo role. He also mentioned that he enjoyed the times spent at the event with everyone. The event took place in hotel Hindustan.

Arefin Shuvo is currently shooting for his film "Premi O Premi", directed by Jakir Hossain Raju.

BAPPI

to Star in Two Upcoming Films

Popular actor Bappy is set to star in two upcoming movies this Eid-ul-Azha. The movies are "Aapon Manush" and "One Way". The movies will have co-stars Pori Moni and Bobby. According to Bappy, both the movies are distinct and the viewers will get to see him portray two different characters. The actor will

be playing a negative role for the first time with the movie "One Way", which is directed by Iftekhar Chowdhury. The actor is very hopeful about the two films and its release during Eid. He also mentioned that the audience has started going to the theatres again and that this is positive news for actors in the film industry.
