Wall hanging on Bangabandhu launched

OUR CORRESPONDENT, Dinajpur

Marking the National Mourning Day, students of some Rangpur city schools yesterday presented a wall hanging showcasing memorable pictures and historic quotations of Bangabandhu Sheikh Mujibur Rahman.

Md Rahat Anwar, deputy commissioner of Rangpur, inaugurated the wall hanging at the Collectorate School and College complex in the city as the chief guest and said the wall-paper will be helpful for the new generation to learn about the Liberation War in 1971, Bangabandhu and his ideology, his role during the Liberation War and his inspirational speech of March 7, and his patriotism for establishing Bangladesh as an independent country.

All schools should take such initiative to encourage students in such creative attempts and thus imbue them with patriotism, he added.

Students of Collectorate School and College, Biam Library School and College, Biam Model School and College, and Shishu Niketan High School of Rangpur city jointly prepared the wall hanging.

Ctg filling station vandalised, looted

STAFF CORRESPONDENT, Ctg

Some 10 to 12 masked miscreants vandalised Alao Filling Station at Fatepur in Hathazari upazila of Chittagong early yesterday and looted about Tk 3.5 lakh, alleged the authorities.

With the money looted, the amount of damage was estimated between Tk 10 and Tk 12 lakh, said Enayet Ullah, manager of the filling station.

Suspecting Abdur Rahim Munna, a nephew of Chittagong north district Awami League (AL) member Md Manjur Alam, of carrying out the attack, the authorities said he went there around 8:00pm on Friday to report an alleged fraudulence over the amount of fuel he had been sold for his vehicle.

Denying the allegation of fraud, they alleged that Munna blocked the station's entrance by parking his vehicle across the street and asked them to shut the station; or else they would face dire consequences.

A complaint was lodged with Hathazari Police Station against Munna and some 10 to 12 unnamed persons in connection with the attack, added the manager.

Munna said that the station staff gave him 20 litres of diesel, while he paid for 30 litres on Tuesday and subsequent days, adding, "I went there only to ask about the pillage, and told them that they should shut down the station rather than pilfering."

He added that he knew nothing about the attack. On Thursday, Alam, also a road contractor, sent some of his men to the station for buying 1,000 litres of diesel on credit. When the authorities refused to sell on credit, Alam's cohorts blocked the entry path by putting sand over it, an allegation denied by Alam. He also denied sending anyone for buying fuel. The station staff alleged that the attack and looting were linked to Thursday and Friday's incidents. Police were investigating the matter.
