

JACKIE SHROFF TO STAR IN A KONKANI FILM

Bollywood veteran Jackie Shroff will be seen in his upcoming release "Soul Curry". The movie will be Shroff's Konkani debut which is produced by Michael Mascrenhas. The actor has also starred in films over nine languages that include Tamil, Telugu, Malayam, Marathi, Kannada, and Bengali. The star will be playing the role of an arrogant saxophone player. The film explores the dynamic change in the music industry which

is caused due to technological advancements, leaving Philip, the role portrayed by Jackie, jobless. The movie will also include actress Seema Biswas alongside Jackie.

The actor is continuing to star in regional cinema and now looks forward for his upcoming Tamil film "Mayavan" and Punjabi film "Sardar Saab".

Elizabeth Olsen Casted for "KODACHROME"

Hollywood actress Elizabeth Olsen will star in the upcoming film "Kodachrome" that will include Jason Sudeikis and Ed Harris opposite to her. The movie is based on a 2010 New York Times article by A.G. Sulzberger, revolving around a father and a son who take a road trip together to Kansas for developing photographs at Kodak's last Kodachrome lab before it closes its door permanently. The drama will also include stars Wendy Crewson, Dennis Haysbert and Bruce Greenwood.

The actress was last seen in this year's blockbuster "Captain America: Civil War", playing the role of "Scarlett Witch". She has also starred in "Godzilla" and "Avengers: Age of Ultron" previously.
