WIND OF CHANGE II

After the awe-inspiring success of the first 'Wind of Change' assembly, the brainchild behind the project, Kaushik Hossain Taposh, who is also the lead composer, decided to go for a sequel. The distinctiveness of the idea is the way the musicians add their individual dash to the local music, creating an idyllic fusion and making it an absolute musical treat. We are

proud to present the names of the local musicians along with some of the pictures of the guest artistes. The line-up of the local performers is as follows:

Syed Abdul Hadi, James, Ferdous Waheed, Andrew Kishore, Khurshid Alam, Chandana Mazumdar, Mujib Pardeshi, Kona, Taposh, Balam, Habib Wahid, Chirkutt, Elita & Topu.
