Next Family Trip

7 Seater

Dual VVT-i Engine

Dual AC

High Ground Clearance

The Grand New Avanza is manufactured to ensure comfort teamed up with relaxed driving at all times. Its spacious interior that seats seven people is perfect for family road trips and businesses alike. The Avanza's Dual VVTi engine is built for smooth acceleration and its Dual Air Conditioning capacity allows every corner of the car to remain cool during the hot summer days. Its high ground clearance due to its ungraded feature also shields itself from the bumpy roads of Bangladesh.
