## Manas holds exhibition at Beauty Boarding

Manas, a concept store, recently organised an open-air fashion and lifestyle exhibition at the historical Beauty Boarding in Dhaka on September 3.

The event at Beauty Boarding was a part of its lifestyle exposition where Manas showcased the stories of a lost era, combining craftsmanship with art. The aim of the

exhibition was to feel a sense of belonging.

The event which lasted for only three hours ended with a hot cup of tea and music for the visitors.

This lifestyle fashion exhibition was an effort to go back to the roots of literature and culture. Beauty Boarding, which was once a hangout for great literary minds,

added a vintage flavour to the exhibit.

Manas found beauty in the faint smell, the faded colours and the textures of things from ancient times as they contain the oldest, rudimentary stories of nature and everything that comes from within. The designs of Manas mostly include collages of different fabrics and holds vintage letters,

music, sonnets, and iconic figures of the classic times in one frame.

Manas, through its continuous efforts, established an authentic story of our tradition to revive a lost world of art and music. To get in touch with Manas, send email at [faiza.designer@gmail.com](mailto:faiza.designer@gmail.com)
