**WIN #10 V AUSTRALIA, JUN 18, 2005:** Bangladesh's first and only win against Australia was scripted by a Mohammad Ashraful masterclass. The batsman scored a ton and Habibul Bashar contributed 47. Aftab Ahmed brought Bangladesh level with a six and then sealed a historic five-wicket win.

Bangladesh's new generation -- consisting of Shakib Al Hasan, Tamim Iqbal and Mushfiqur Rahim -- showed what they were capable of as each of them notched half-centuries. The win also helped Bangladesh qualify for the second round of the World Cup for the

Liverpool fullback James Milner scores the second goal from a penalty during their Premier League match against Swansea City at the Liberty Stadium yesterday.

Siddikur Rahman moved up to 24th position on the leaderboard after a decent effort in the third round of the Mercuries Taiwan Masters yesterday. The 31-year-old golfer exchanged two birdies against the same number of bogeys in trying conditions at the Taiwan Golf and Country Club on Saturday to move up 18 places from his overnight position. With scores of 76, 74 and 72 over the three rounds, the two-time Asian Tour winner took his aggregate score to six-over-par (222) which is 10 strokes behind leader Panuphol Pittarayat of Thailand.

## Milner propels L'pool

AFP, Swansea

James Milner propelled Liverpool to second place in the Premier League as his late penalty secured a 2-1 win against Swansea on Saturday. Milner's spot-kick sealed an impressive comeback for Jurgen Klopp's team and enabled the Reds to move within two points of Premier League leaders Manchester City, who face Tottenham on Sunday. Liverpool trailed to an early Leroy Fer goal at the Liberty Stadium and looked second-best before Roberto Firmino took control to inspire his side's fourth successive league victory. Brazil forward Firmino scored Liverpool's equaliser early in the second half and won the crucial penalty that Milner converted in the final minutes. Struggling Swansea's fifth defeat in seven league games will increase the pressure on manager Francesco Guidolin, who has had to deal with speculation he is set to lose his job. Ryan Giggs and Bob Bradley are among the names reported lined up as potential

replacements for Guidolin. Klopp made one change to the side that thrashed Hull 5-1 at Anfield a week ago, with Dejan Lovren, a rejuvenated presence in the Liverpool defence this season, returned to the starting line-up in place of Ragnar Klavan. There was a solitary change, too, in the Swansea team following their 3-1 defeat by Manchester City as striker Borja Baston starting a Premier League game for the first time in place of the injured Fernando Llorente. Former Atletico Madrid forward Borja was in the thick of the action, but wasted an early chance to endear himself to the locals by heading over from Wayne Routledge's fine cross. Liverpool's defence was looking surprisingly fragile despite Lovren's return to action and Fer made the most of the instability to put the home side ahead. Borja atoned for his earlier lapse when he rose above Joel Matip at the far post to win Gylfi Sigurdsson's corner. He nodded down into the goalmouth where Mike van der Hoorn nudged the ball towards the target before Fer applied the

## Saintfiet starts camp with 12

SPORTS REPORTER

With the ninth round of the Bangladesh Premier League concluding late last night, the national team's head coach Tom Saintfiet had only 12 players out of the 33-member squad to begin work with yesterday for the brief training camp ahead of the Asian Cup qualifying play-off second leg fixture against Bhutan. Bangladesh require at least a scoring draw if not a win to advance to the next round of the qualification campaign after being held to a goalless stalemate by Bhutan in the first leg last month.

The second leg will be played in Thimphu on October 10 and so the Bangladesh team are set to leave on October 7.

The Belgian coach, who is desperate to see his side qualify, called back a few experienced players such as Mamunul Islam, Zahid Hasan Emily, Yeasin Khan and some fresh faces like Saad Ahmed to the squad. "The reason for calling some new players is to watch them for 2/3 positions as I want to keep as many options open as possible," the Belgian coach said after a light training session at the Bangabandhu National Stadium yesterday. "I will watch the players over the next few days and then decide about the final squad. Our only target is to qualify for the next round and we want to do it in any way, be it through a tie break, draw or win," Saintfiet concluded.
