

Bringing BACK the puffed BLOUSE

The sari is an entire look that includes the blouse and the petticoat. Ever since the birth of saris, puffed sleeved blouses have been a hot favourite amongst ladies. This adds charm and elegance to the complete look and have been worn by many Mughal queens and Empress of the imperial reign.

Whether you decide to pair the puffed sleeved blouse with a chic georgette sari or the ethnic Kachivaram silk, it will only enhance the beauty of the garb. For centuries ladies have donned 'the puffed sleeved blouse' to look majestic and sophisticated and they have been successful at every attempt.

This is our take on 'the puffed blouse.'

FLIP TO CENTREFOLD FOR MORE

I am ancient and yet I am young
Vibrant hues of life I colour
To unfold, unravel and to be lived
I am beauty, grace and love
I am seduction, mystery and lust
I am every woman's desire
And Envy...
I am 6 yards of wonder
I am - The Sari
- Shobna Roy
