MIB presents Fall meet-up!

After the huge response to this year's Monsoon Meet-up, once again the MIB Spirit Studios has come up with their Fall Meet-up. This three-day event, which took place from the 13 to the 15 October, was a conglomeration of great creative minds, a unique range of their products and amazing food from Ajo! The premises, adorned by fairy lights and festooned in all the fall colours, provided a beautiful ambience.

Followed by the amusing doodle wall, "Made With Love" greeted us with their chic yet affordable items - notebooks, mugs, wall hangings with motivating words written in wonderful calligraphy. The Sundarbans Busy Bee, a social entrepreneurship venture promoted the work of the hardworking Mouwalis through their taste of wild honey.

Stalls by Stellar, Boka Baksho, Sweet Potato, Rene, Print Me Yellow by Sabah Khan and others had eye-catching products like funky stationary, hand-made jewellery, boxes, quirky sketch-books, candles, dream catchers, saris, handmade purses, clutches, pop-art kurtis and what not in addition to a 10 percent discount on all of MIB's trendy merchandise.

Worth mentioning are their live music sessions and caricatures done by people from Cartoon - definitely not to be missed!
