

NATALIE PORTMAN

starrer "Jackie" set for AFI Fest Gala Screening

Natalie Portman's "Jackie" has been selected by the American Film Institute as a Centerpiece Gala at the AFI Fest on November 14, 2016. The film premiered at the Venice Film festival and is scheduled for release on December 2. Directed by Pablo Larrain, the movie is a psychological portrayal of Jacqueline Kennedy in the days following the assassination of President Kennedy in 1963. Also starring in the film are Peter Sarsgaard, John Hurt, Billy Crudup and Greta Gerwig.

The actress was last seen in "Jane Got a Gun" in January, and will be seen in the November release of "Planetarium".

RANBIR KAPOOR

TO CO-PRODUCE THE SEQUEL TO "LIFE IN A METRO"

Ranbir Kapoor will join director Anurag Basu's "Life in a Metro" sequel as a producer. The director mentioned that he might be playing a pivotal role in the film other than co-producing it. The full cast of the film is yet to be selected except for Irrfan Khan who has been announced to take part in the film earlier this year. The original film narrated the journey of several lives trapped amid complicated,

urban relationships and included stars Shilpa Shetty, Dharmendra, Shiney Ahuja, Konkona Sen Sharma, Nafisa Ali among others.

Ranbir Kapoor and Anurag Basu are currently working together in "Jagga Jasoos", which stars Ranbir's ex-girlfriend Katrina Kaif alongside him.
