Briefing Session: 17/11/2016  
Submission Deadline: 26/12/2016  
Award Announcement: 30/12/2016  
Registration Fee: Tk. 3000

Dhaka South City Corporation (DSCC) in association with Institute of Architects Bangladesh (IAB) has organized an open Urban Design competition to seek for innovative and responsive urban design interventions towards achieving a sustainable, lively, accessible, user friendly and integrated urban streetscape that would be an executable model for urban streets for the segment from Dhanmondi Road No 27 (old) to Nilkhet.

The purpose of this competition is to explore the challenges of converting existing overcrowded streets of Dhaka into that of a very pleasant accessible one. Outcome is expected in creating a comprehensive vision and plan considering future land use, accommodating pedestrian environment, rehabilitating the floating trades on the street, streetscape, integrating utility services, accommodating non-motorized vehicles such as cycling, and definitely to perform its role as a primary north-south transportation route. A module that may work as a reference for replicating in other areas of the city as well. All to be in conformity with the Draft Structure plan 2016-2030 and Revised Strategic Transport plan-2015.

Architects willing to participate in the open design competition must meet the eligibility conditions specified in the Imarat Nirman Bidhimala 2008. Inclusion of Urban Designer and Planner in the Design team is encouraged.

A panel of jurors nominated by both DSCC and IAB as per the competition guidelines of IAB will select the best design. Three best designs will be awarded. Competition documents can be downloaded from IAB website at [www.iab.com.bd](http://www.iab.com.bd). Registration.

## ADMISSION

### Doctor of Business Administration (DBA)

Batch-4

With the globalization of economies organizations are becoming increasingly complex. Innovative organizational models and practices have become crucial to address this complexity. Consequently, leadership in this environment requires more sophisticated levels of knowledge and skills. IBA has designed a DBA program to serve these needs by providing doctoral-level education to academics and professional practitioners in business and management.

**Criteria for Eligibility**

- MBA/EMBA/Master in Business or equivalent degree from recognised academic institutions with minimum CGPA 3.00 (on a 4 point scale) or its equivalent. IBA will determine the equivalence as a part of assessment procedure.
- Minimum 5 years full time work experience after Bachelor's degree of which at least 2 years experience in senior management/administrative position or with 2 years teaching/research experience.
- Minimum 50% marks in all public examinations.
- Pass Course Bachelor degree holders are not eligible to apply.
- For all private and foreign certificates/degrees, equivalence is determined by the Equivalence Committee of the University of Dhaka.
- Two letters of recommendation (one from an organization supervisor and the other from an academic supervisor).
- A write-up on research concept that addresses research issues, objectives, rationale, literature review, scope, references, etc.

**How to apply**

- The application form can be downloaded from IBA website ([www.iba-du.edu](http://www.iba-du.edu)) or collected from the DBA Program Office, IBA.
- The filled-in application form along with a non-refundable Bank Draft/Pay Order for Tk. 2,500.00 (Two Thousand Five hundred taka only) payable to "DBA, IBA" should be submitted to the DBA Program Office according to the following schedule:  
**November 03 to December 04, 2016, Time: 09:00 am to 06:00 pm (except public holidays)**

**Last Date of Submission of Application: December 04, 2016 (Sunday)**

**Selection**

After a preliminary assessment, the shortlisted candidates will be required to appear before an interview board to defend their concept paper for final selection.
